Royal Avenue :

Royal Avenue is a new residential venture launched by Nehra Infra group which forms a master gated community to live at a luxurious place called paradise of home at Noida which is one of the fastest developing localities in the NCR region. For homes exclusively tailored to suit your lifestyle, the project offers people a choice of 1, 2 BHK and 2 + Study Room apartments in an area ranging from 600 to 1200 sq. ft. With aesthetically pleasing surroundings, the emphasis is on quality and style is the main focus of the builders here. Far from the hustle and bustle of congested city life, this project has been sited at Noida Extension adjacent to JM Aroma Heights Noida with close proximity to Noida City Centre and 72 Metro Station, Fortis Hospital / Shipra Mall, JIIT (Jaiprakash Institute of Information Technology), DND and Kalindi Kunj.

With several internal amenities offered for cozy living, Royal Avenue Noida will also have abundant space designed for socialization. Also, the green environment, lush surrounds and a great locality are some of the highlights of the project that enhances the living level.

It also sets your mind and spirit free to indulge in life to the full with all round development plans that initiate a lovelier palace of residence away from the hasty tones of the metropolis. People opting for homes here can get high returns in future for a very great life ahead with no hassles in the coming days head.
