Venkatesh Development presenting "Venkatesh Paradise" a 1 BHK & 2BHK apartments, at Pisoli, Pune.

Venkatesh Development is one of the leading real estate developers in India, with 17 Years of experience in developing premium Residential Properties. We've embarked on a mission for futuristic projects in the Indian real estate industry, setting new benchmarks in order to enhance customer experience and expectation. Our core values of customer focus, innovation, quality and trust in all our work processes have made us one of the most respected companies in the industry today. We have many firsts to our credit. Not to mention the landmark projects that have tailor made amenities to suit specific requirements. We provide greater convenience and better lifestyles to the entire spectrum of customers, from young parents and dual-income families, to a more affluent segment, looking for exclusive homes. Venkatesh Development has expertise in a vast range of real estate projects starting from residential apartments/condominiums to commercial buildings and Developing Pune's most prestigious gated community of designer garden villas.

Our project Land 85 Gunta is located in Undri-Pisoli only 100 Mtr inside from the main road which is the fastest developing suburb within the Pune Municipal Corporation (PMC) limit in Pune.With 30 mtr wide 4-lane concrete roads being constructed and excellent town-planning done by the authorities for basic necessities like commercial projects, shops, malls, multiplexes, schools, colleges, hotels & restaurants and public transport as well, Undri sure looks like it is on a fast-track to being a well-planned urban locality.

Our strategically designed with an optimum mixture of greenery, landscape, hardscape and softscapes. This ensures the fulfillment of the two basic necessities while selecting a home, ample light and ventilation.
