WALCHAND

“The Name You Can Trust”

The company was founded by Mr. Prakash H. Jain in the year 1981 & since then it has built thousands of homes within the vicinity of Mira-Bhayandar. Winning the trust & satisfaction of customers have always been our utmost priority and we have been successful in achieving them through our principles & ethical practices. At Walchand, we assure that the projects are completed on time as we have modern infrastructure & qualified staff. We always endeavor to build good quality homes by using best of products and materials available in market & thereby provide luxurious homes to our customers at affordable prices and meet their expectations & satisfaction.

NATURE is not just a place
that we visit now and then....

IT'S OUR HOME

Introducing WALCHAND AVENUE in the heart of Mira Road with each Apartment having majestic views of Bhayandar Creek, Mountain Views and City View of vibrant Mira Road City. The layout is proposed to have connectivity of 30 meters wide DP Road directly connecting to Western Express Highway. The building is designed to be constructed with all modern infrastructure and equipments and is designed keeping in mind pocket friendliness of the customers - "Budget friendly homes with high quality standard of infrastructure and facilities is our moto"
