LAYOUT PLAN

LP NO.: 000109/LO/PLG/HMDA/2021

LAYOUT FEATURES

- HMDA layout designed on principles of Vaasthu
- Under Ground Electricity with Transformer
- Sprawling 30' wide BT road with curbing.
- Well Developed Park, Avenue Plantation with Drip
- Maintenance of roads electrical lines and protection for 3 years by developer
- Underground Drainage system
- Compound wall with Entrance Arch
- Water lines for individual plots with Overhead Tank
- Rain water harvesting pits.

Mukunda Greens is a super-vast land that has about 168 plots clearly demarcated across the layout. It gives a clear locational advantage with one side of the land abutting the main road, enabling fast connectivity to the road. Once invested in, the plot can be the space to build a villa going forward, with things like amenities, social infrastructure and open area around the community.

Vast and with
potential for
returns
