WELCOME TO

ELEMENT

At Element, the building itself becomes a living canvas of Elegance and Luxury. With its Signature Curved Balconies, the design offers a graceful rhythm to the facade, while the lushed draped plantations along ever level brings life and freshness to the space, turning every balcony into a personal garden retreat.

Here, Luxury transcends beyond Interiors, its in the very planning of your home. Designed with vision and crafted with detail, Element brings together architecture, nature, and exclusivity to create a landmark of grand living.

A home that transforms aspirations into a exquisite lifestyle.
Here, you don't just live, you flourish.
