

GREAT MEN LIVE ALIKE

Ultra-living for men of higher standing

Built with a sense of aesthetics.

The sky is the limit when we consider the design values that go into every home we ever create. Over the years, our architects and designers have continuously outdone themselves to offer our clients attractive homes that even a noble would be proud of.

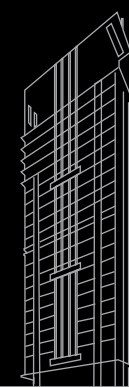

Headquartered in Pune, KUL is involved in projects across Mumbai, Bengaluru and Panchgani-Mahabaleshwar. Led by the enigmatic Lalit Kumar Jain (Chairman), whose entrepreneurial skills are legendary, KUL has stamped its mark of excellence across the residential, commercial, retail and SEZ sectors. His vision of a truly world-class organization has been cast into fact, and his zeal for quality has been etched into stone.

Today, KUL is involved in 14 on-going projects across cities with an estimated area of 3.91 million sq. ft., with 73.13 million sq. ft. of space in 50 soon-to-be launched projects across the country. In a nutshell, our success story makes for a compelling tale.

A bespoke lifestyle
for the discerning.

As the master of your destiny, it is your birth right to choose. And you chose to blaze your own trail rather than follow another's. It is no different when it comes to your lifestyle. You make your own statements wherever you go. That is precisely why, we have handcrafted a lifestyle that is worthy of your status and personality.

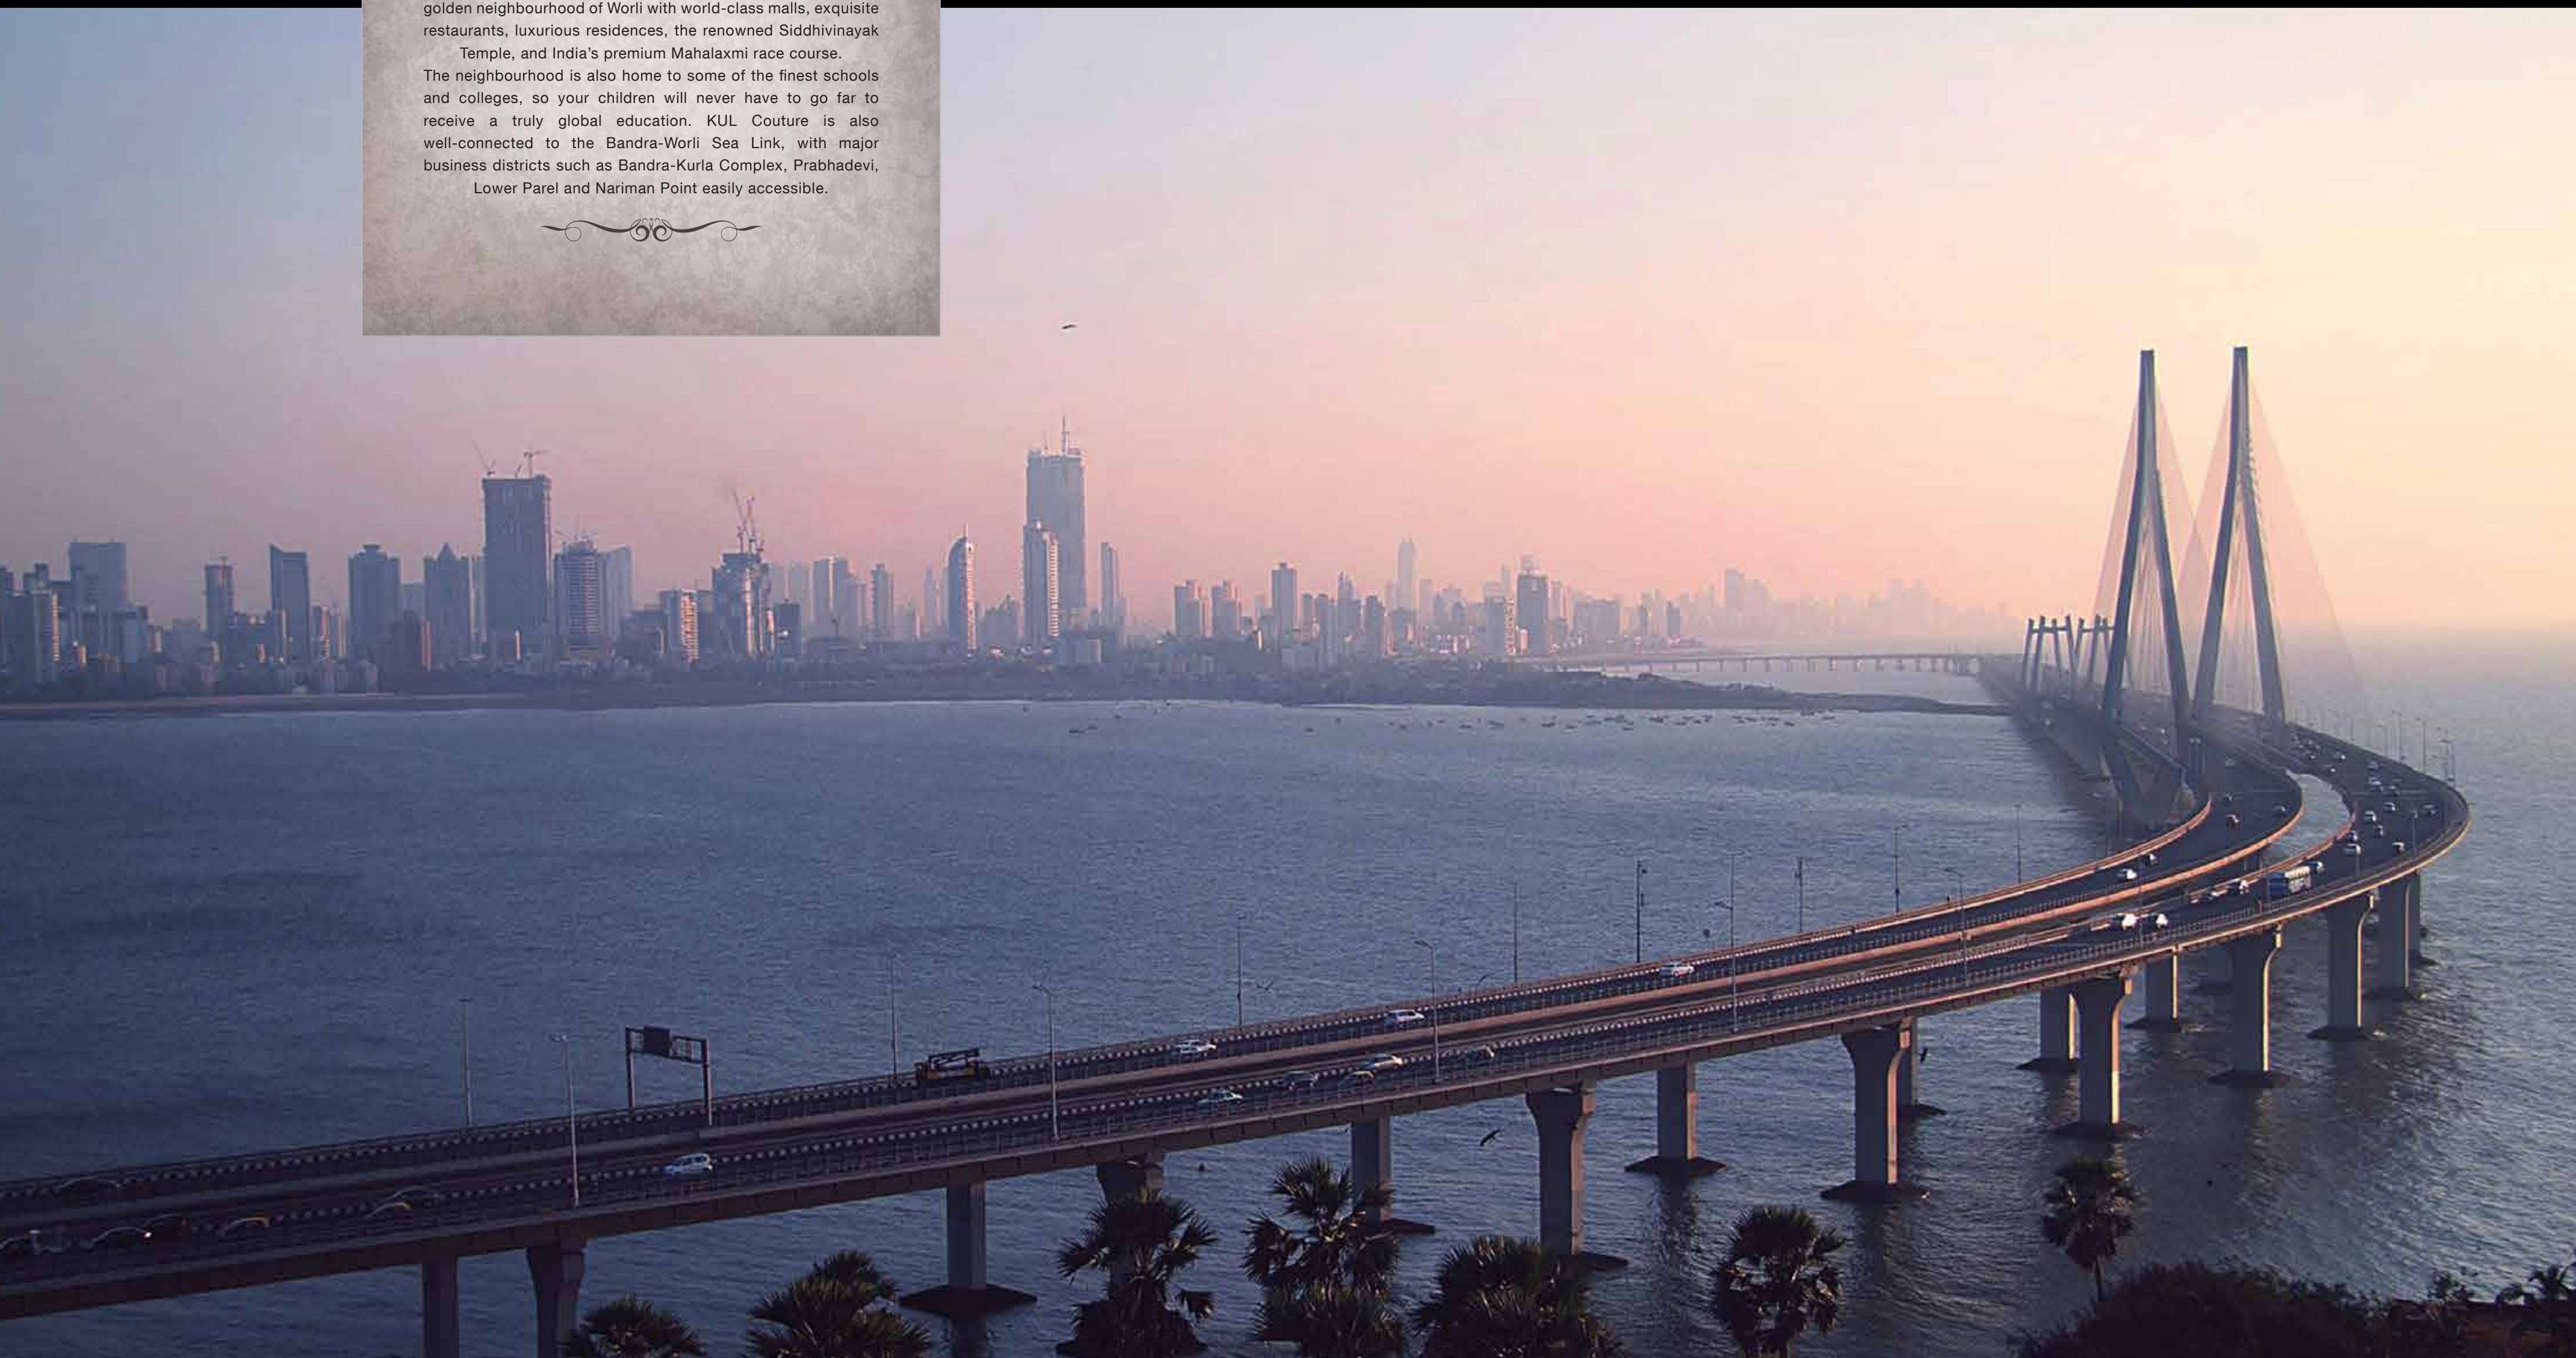

The pulse of the social elite in the heart of the city.

KUL Couture takes its rightful place in the galaxy of glittering developments. A dazzling monument to the elite, it shares the golden neighbourhood of Worli with world-class malls, exquisite restaurants, luxurious residences, the renowned Siddhivinayak Temple, and India's premium Mahalaxmi race course.

The neighbourhood is also home to some of the finest schools and colleges, so your children will never have to go far to receive a truly global education. KUL Couture is also well-connected to the Bandra-Worli Sea Link, with major business districts such as Bandra-Kurla Complex, Prabhadevi, Lower Parel and Nariman Point easily accessible.
