LOCATION ADVANTAGES

International Airport - The new Bangalore International Airport (BIAL), located 4 KM south of Devanahalli is touted as one of the busiest airports across the nation with an annual traffic of over 15 million. It catalyzes a range of commercial, residential, physical and social infrastructure development activities, thereby helping North Bangalore make progress.

Commercial Parks - North Bangalore is also home to popular commercial parks such as Manyata Tech Park and Kirloskar Tech Park. Not to mention the upcoming Information Technology Investment Region (ITIR). The mega project will be located on a gigantic area of over 10,000 acres. Once completed, it is expected that the phase 1 alone of ITIR will generate over 1.2 million direct and indirect jobs. Other major projects involve Aerospace SEZ park and Devanahalli Business park which will further give push to the real estate market in the area.

LOCATION ADVANTAGES

Physical Infrastructure - North Bangalore is intercepting a range of key infrastructure projects that once completed can help the location to leapfrog to the next level. Major infrastructure projects in the area encapsulate; High Speed Rail Link connecting Central Bangalore and BIAL, expansion of the Yelahanka Railway Station and Peripheral Ring Road etc.

Social Infrastructure - The area in the recent past has witnessed, surge in social infrastructure, in the form of quality schools and hospitals. Likewise, the arrival of airport has also resulted in various high scale malls, hotels and restaurants coming up in the region, thereby boosting the entertainment dimension- an important ingredient of the present day lifestyle.
