ABOUT SHUBHAM GROUP:

A LEGACY OF TRUST

Shah Narshi Govindji & Company was established in & around 1920, a streaming & growing company dealing all the way from cattle feed & and fodder to grains & and pulses.

The family ventured into construction business with a brand known as SHUBHAM. The vision of the group was to focus on prime locations' land parcels, in-house designing of projects, zero wastage planning, hand-picked contractors, optimum quality products and materials used for constructions, adhering to standard specific leakage treatment procedures, etc. lead this company to set its standards as high as being accepted by the masses as No. 1 in 'Superior Quality Amenities' & 'Timely Delivery' of Projects.

The group developed 'Residential cum Commercial' Building(s) on open land parcels and later ventured into redevelopment projects.
