AN ICON OF
EXCELLENCE

For more than two decades Millennium Infra has been known for Trust, Excellence & Commitment in the Real Estate industry. With the best expertise and resources we had transformed many developable areas into desirable properties which established us as an industry leader. We are proud to have developed many prestigious & successful projects like Millennium City.

Based in Indore and with a quality-first policy, Millennium Infra is reputed as a total solutions provider in the real estate sector. We perfectly understand customer needs. Accordingly we develop properties to fulfil their aspirations of a dream home. We earn customer confidence on the basis of our drive for excellence, quality and reliability.

Customers highly appreciated our flagship project, Millennium City, at Bajrangpalla, Ujjain Road, Indore.

Encouraged by the success of Millennium City and keeping the Millennium Infra reputation intact, we are now coming up with a new project - Millennium Icon. This project is an ideal blend of premium facilities, affordability and profitability. Convenient location, excellent facilities and pleasant surroundings are some of the attractions that make Millennium Icon an iconic project.

AN ICON OF
CONNECTIVITY

Super Corridor is the new happening location in Indore. Starting from the Indore Airport extending till the Vijay Nagar Square, the Corridor is undoubtedly 'Super' in facilities, class and convenience. With many world class IT companies, eminent educational and medical facilities, and prominent places of worship along the Super Corridor, Millennium Icon offers the best in proximity and accessibility.
