home with a special price*

A man and a woman are standing on a lush green field, seen from behind. They are looking up at a large, hand-drawn white outline of a house in the sky. The house has a chimney, two windows with shutters, and a central arched doorway. There are also hand-drawn flowers and clouds around the house. The sky is a deep blue with some white clouds. The overall scene conveys a sense of dreaming and aspiration for homeownership.
