Project Overview

With over 13 years of excellence, we are India's largest plotted real estate developer and the No.1 real estate company in Tamil Nadu. Having successfully delivered 4,000 acres of land across 125 premium projects, we take pride in our 20,000 happy customers. Committed to sustainability, our developments feature over 5 lakh trees and are 100 solar-powered, creating eco-friendly, self-sustained communities that redefine modern living while preserving nature for future generations.
