7 precious architectural jewels for 1 sparkling lifestyle

TOWER 1

STELLAR

Incepting from the Deep Bay of Vancouver Island, British Columbia, Stellar Oysters are larger versions known for their outstanding quality. Contrivance coupled with congruence composes this high-rise tower exhibiting the royalty in living.

TOWER 2

WELLFLEET

Being considered the world's best oysters for generations, Wellfleet oysters are long and strong shelled that grow in Long Island Sound, as far south as the Chesapeake Bay, and up into Canada's Maritime Provinces of North. With the world's rarest and finest architectural brilliance, Wellfleet is carved out into the sky with urbanity.

TOWER 7

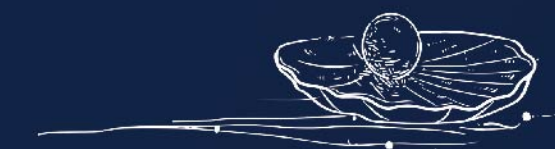

BELON

Originated and harvested from the Belon river of France, Europe, these Belon Oysters are different species that are distinct in their irresistible flavour. Feel the exquisiteness of this exceptional domicile of repute make that creates an invaluable lifestyle.

TOWER 5

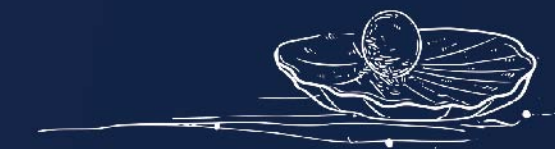

OSTREA

Cultivated in the European waters since the time of Romans, Ostrea is native to the Northeast Atlantic from Norway to Morocco, including the Mediterranean and Black Seas. Experience the rare luxuries fetched from the deepest points of opulence.

TOWER 3

DUXBURY

Originating from one of the Massachusetts and Rhode islands, cultivated in the cold, lush, nutrient-rich waters of Duxbury Bay in the US, these oysters have extra stores of cellulite and glycogen. Introducing you to this classic edifice to get awestruck with extensive richness in modern amenities.

TOWER 6

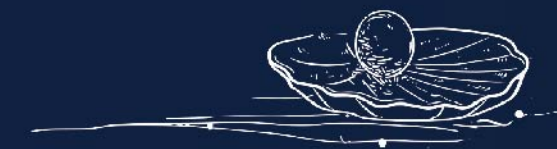

PELICAN

Found in the Gulf of Mexico, Pelican oysters are known for their unique flavour that is picked by their locations of origin. Get landlocked by the colors of the scenic beauty amidst the extensive skyline.

TOWER 4

WESTPORT

Westport oysters are commonly found in the Westport islands of the US and are known for their nicely developed structures and a buttery finish. As a symbol of fineness and robustness here's a lifetime to spend in the uniformly designed luxurious spaces.

Be spoilt for choices
with an entire
ground floor
dedicated to
the finest amenities
and experiences.

The highlight of a higher order luxury destination

Clubhouse-The Pearl

It takes sheer size to accommodate sublime experiences.

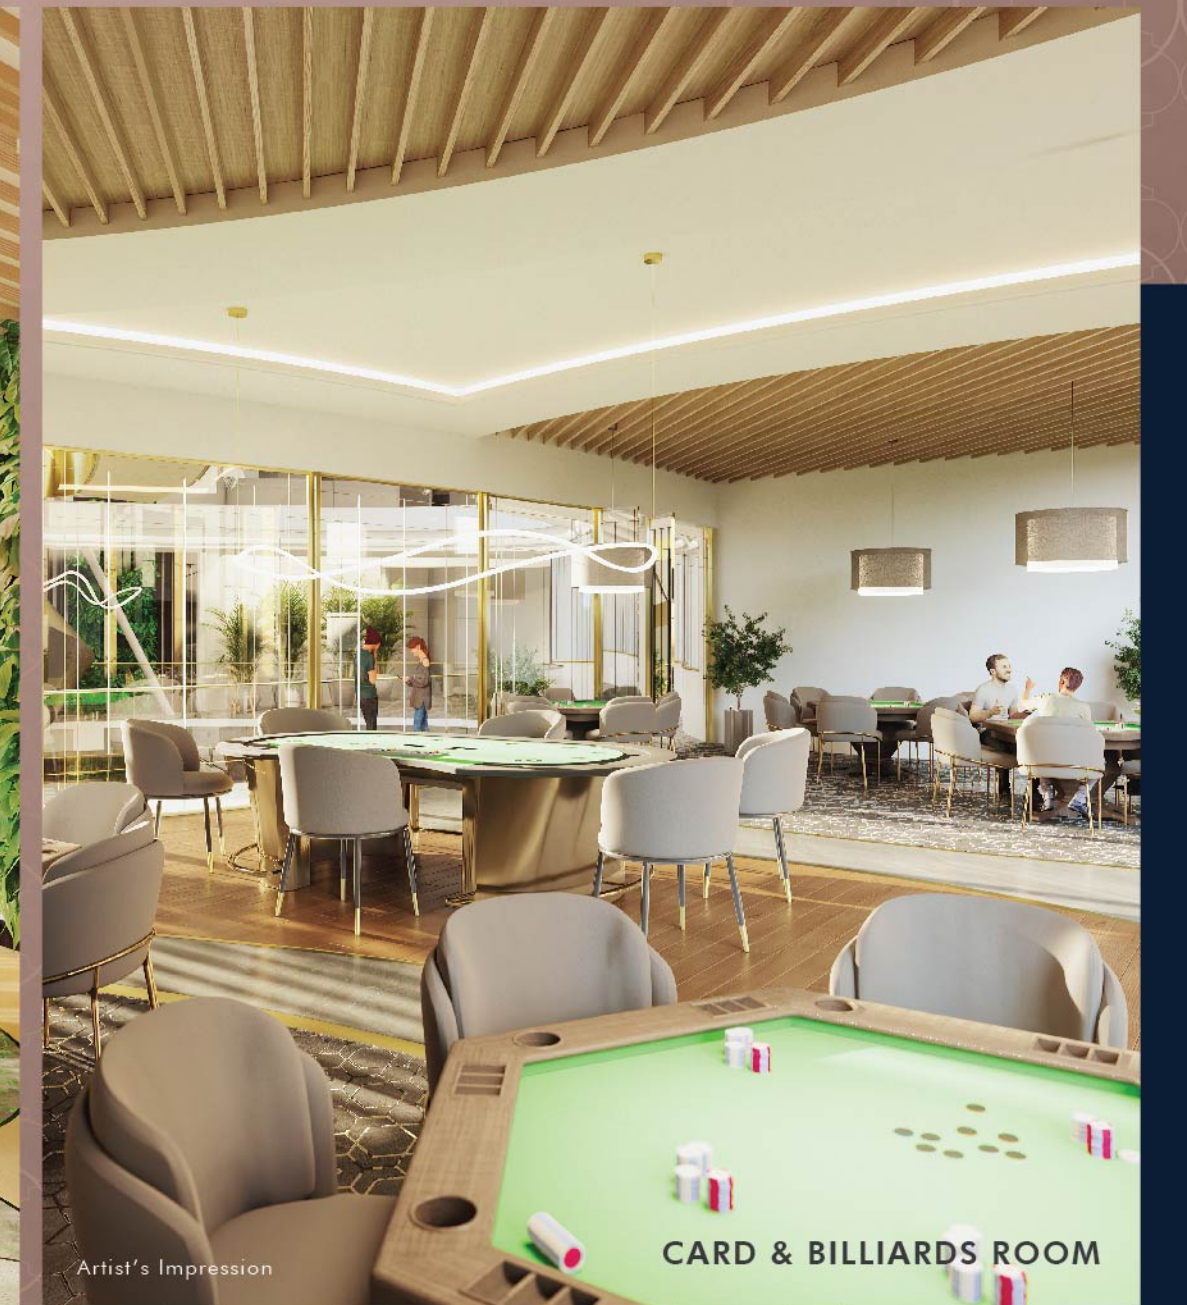

Spread across ground plus 3 levels spanning 62,000 sq. ft.

in totality, is a realm filled with ultra-luxurious amenities.
