GREENWOODS
SECTOR-115, MOHALI

Give your Family
a World of Openness

ABOUT GREENWOODS

Nestled along the picturesque Kharar-Landran stretch of NH-205, Greenwood is an impeccably planned residential township, offering a wide range of plot dimensions thoughtfully laid across 30 feet wide internal roads and an 80 feet wide sector road, ensuring smooth traffic flow and easy navigation.

Enveloped within a tranquil expanse of well-maintained green landscapes, Greenwood provides its residents with an enchanting blend of natural beauty and contemporary living.

Strategically positioned, Greenwood enjoys exceptional connectivity and convenient access, enhancing its overall appeal. The location buzzes with vibrant activity, featuring esteemed educational institutions such as Delhi Public School, CGC Landran, and Chandigarh University, as well as the Swaraj Mazda manufacturing plant and the iconic Fateh Burj (Baba Banda Singh Bahadur War Memorial, Chappar Chiri), all in close proximity.
