Leisure recharge through glorious pleasures

Inspired by nature, Regent Coconut Grove is a unique township of 720 luxurious apartments amidst the sprawling 7 acres of land at Miyapur. Thoughtfully conceived and beautifully designed, it keeps your every little need in mind. The apartment complex to take a leisurely stroll down to meet your neighbours. Facilities like an ultra modern club house, swimming pool, retail stores, pharmacy and many other amenities are well within an arm's reach making sure life is simpler at Regent Coconut Grove. Every minute detail has been crafted with care and finesse, establishing a new benchmark for quality and design.

The project's location, Miyapur is slated to be a hub for cosmopolitan living in Hyderabad with new malls, shopping centres, recreational facilities and other lifestyle oriented amenities coming up shortly. Regent Coconut Grove is easily accessible, being in close proximity to both Miyapur Metro Station and the Ring Road. Hitech City, the commercial district is also just a 15-minute drive from Regent Coconut Grove.
