SOLIDAGO
BUILDING REALITY
A Jayesh Chauhan Group

We began our journey in the Real estate world in 1985 as the Chauhan Group. SOLIDAGO was launched by Mr. Jayesh Chauhan with the sole intention to take this illustrious legacy forward by building a luxurious life. After delivering the best on all fronts, we now focus primarily on property development, redevelopment, investment, and other property-related activities.

The extraordinary

Life

Welcome to the extraordinarily crafted world of The Castle. It offers premium 2 and 3 bed residences with a plethora of exclusively crafted indulgences. Ideally situated in a bustling neighbourhood surrounded by great social and civic amenities, it also offers easy accessibility across the city via multiple transit hubs.

INTRODUCING
