

Indore Galore A City Spearheading Consistent Growth

The commercial capital of Central India, Indore is expanding in all directions, including both the traditional agro industries and modern corporate. Being the only city with IIT and IIM, Indore has emerged as the best educational centre in the state. IT Corporate giants like as TCS and Infosys have already invested in the Super Corridor area. The Pithampur Industrial Growth Centre, situated just 22 kilometers away from Indore, is the commercial hub of Madhya Pradesh that is heading the industrial revolution in the state. With excellent medical and hospitality units available, it is at the epitome of becoming a cosmopolitan city of the country.

Sow intelligent investments today. Reap attractive rewards tomorrow.

Indore is evolving as the choicest investing destination being an IT Hub, Medical Hub, Logistic Hub, Education Hub, SEZ and much **more**.

Array of varied sized plots fused with natural grandeur and global amenities emanating a sense of **completeness**.
