ESTABLISHED IN 1999, Santvan Group has been involved in the construction of residential and commercial projects par excellence. Group has successfully completed 9 PROJECTS with total constructed space of 175 MILLION SQ FT, developed around 9 residential units so far.

Santvan group is equipped with incomparable technical excellence to create comfortable as well as modern buildings with elegant designs. Its planning ensures that the customers enjoy optimum space, natural light & ventilation, sufficient parking, long-lasting material and lush green landscape. All these standards speak volumes about our work. We are widely appreciated for our attention to small details in each project, transparent legal process and minimum hassle for the customer.

Having a team of veteran architects, engineers and designers is a matter of pride for Santvan group. Our vision is to become a leading developer with pan India presence.

We at Santvan believe that our customers and business acquaintances are our most valuable assets. Our client-centered approach, honesty and integrity in trade practice put the group on the summit. We understand people's changing needs and aspirations. Their joy and positive emotional response, after experiencing our products and services are our great achievements.
