

Invest in Land...
Invest in the
Real Treasure.

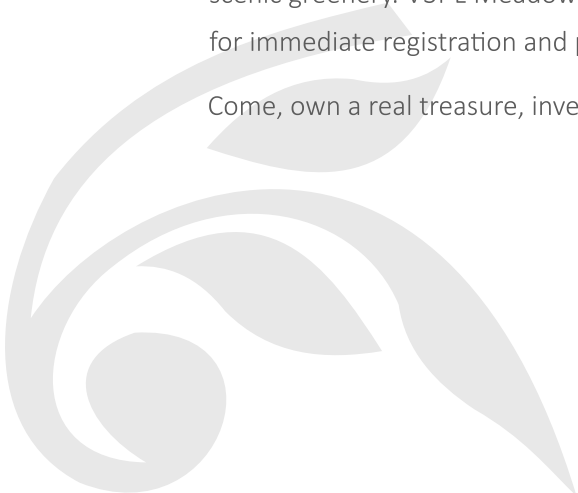

VSPL is an organization founded in 2008 with a key intent to provide quality and highly functional life spaces and work spaces in Bangalore. Led by a team of young and inspired minds, we have completed 25 projects so far. Our past projects are fine examples of our architectural creativity which has brought smiles and contentment to many families.

Have you ever imagined of possessing a treasure? A treasure is something valuable which can enhance the wealth of the owner to a great extent. Here comes its desirability too. We offer you an opening to get your hands on that real treasure. Yes, we are talking about VSPL's most excellent house plots - VSPL Meadows.

We have many reasons to call VSPL Meadows a treasure. The location near to prominent landmarks itself makes VSPL Meadows a prized possession one can aspire for. It is close to prominent schools and is 2.5kms from Yelahanka main road and yet surrounded by scenic greenery. VSPL Meadows is a well designed layout approved by BDA and available for immediate registration and possession.

Come, own a real treasure, invest in VSPL Meadows....
