Ushering in a New Vision

Proviso Group spearheaded by the visionary Mr. Brij Gupta has been in the property development Industry for over two decades. Till date we have completed over 7,20,000/- Sq.ft of Living Spaces in and around Navi Mumbai and Pune. We are presently developing another 10 lac Sq. ft which should be completed in the near future.

The edifice built around Navi Mumbai and Pune today have become landmarks and are well known to the families staying in this edifice, our customer as well others. Today their investment has grown multifold. The Success of this group belongs to the people who are driven by the passion which comes from the core values set by the Chairman and Managing director and which are seen in their daily work life.

It has been our endeavour to create homes for people who aspire to live a life to the fullest with maintaining Luxury and Lifestyle. We are constantly upgrading ourselves with the latest in market and contemporary looks. We have never limited ourselves to budget constraints while developing an edifice but at the same time offering families value for their money invested.

Kharghar... In the bedrock of convenience

Kharghar, Navi Mumbai surrounded by picturesque hills and greenery is an expansive stretch of nature's beauty away from the hustle and bustle of the city. Today Kharghar is a rapidly developing node in Navi Mumbai and the infrastructure is just right for Families who would like to enjoy the best of both the worlds, the nature the tranquillity and yet being close to convenience.

- The smart positioning gives the choice of Kharghar & Taloja Railway Station
- Connectivity to Mumbai Pune Expressway
- 7km from Proposed International Airport
- 210 acres Central Park having Jogger's Track, Fountains, Theme Park
- Proposed 18 hole Golf course with 9 ponds covering 75 hectares of Land
- International Schools, Shopping Centers, Banks & Malls
- Proposed Skywalk from Kharghar Railway station to Utsav Chowk
- Khandeshwar Lake special project • ISCKON Temple with multiple facilities
