

AJMER A
SHIKHAR

PRIDE OF OWNERSHIP

Here, homes are shaped with clarity, balance, and room to thrive, spaces that feel open and enduring in character. Built with strength and foresight, every home carries a quiet assurance and a deep sense of **pride** that comes from **owning** something crafted to grow with you over time.

PROJECT HIGHLIGHTS

A 22-storey residential tower built to contemporary safety standards

Homes planned for comfort, efficiency, and daily ease

Improved light, ventilation, and spatial flow

Design that encourages inclusive, community-oriented living

A dignified upgrade that feels rooted, not imposed
