

Turn over and may
your Dreams come True!

Maitreya a name that stands for trust and true friendship, has launched one more residential project-Maitreya Sankul in the grape city of Maharashtra i.e. Nashik after the successful launch of Pandavvan - a 40 Twin Bungalow scheme. Maitreya Sankul is planned with a theme of 'Touching dreams of everyone' - this is going to be a dream come true project.

Girdled with lush green landscape at Pathardi, Maitreya Sankul will have 6 storeys. Each storey of the building will have residential flats which are designed to have 2 bedrooms, hall and kitchen.

Maitreya Sankul has a graceful architectural design, a spacious hall, open sit-outs, dining space arrangements and windows designed to have good ventilation in each flat. This project is supported with all modern amenities such as elevators, concealed electric wiring and utilization of reputed brands for plumbing and fittings.

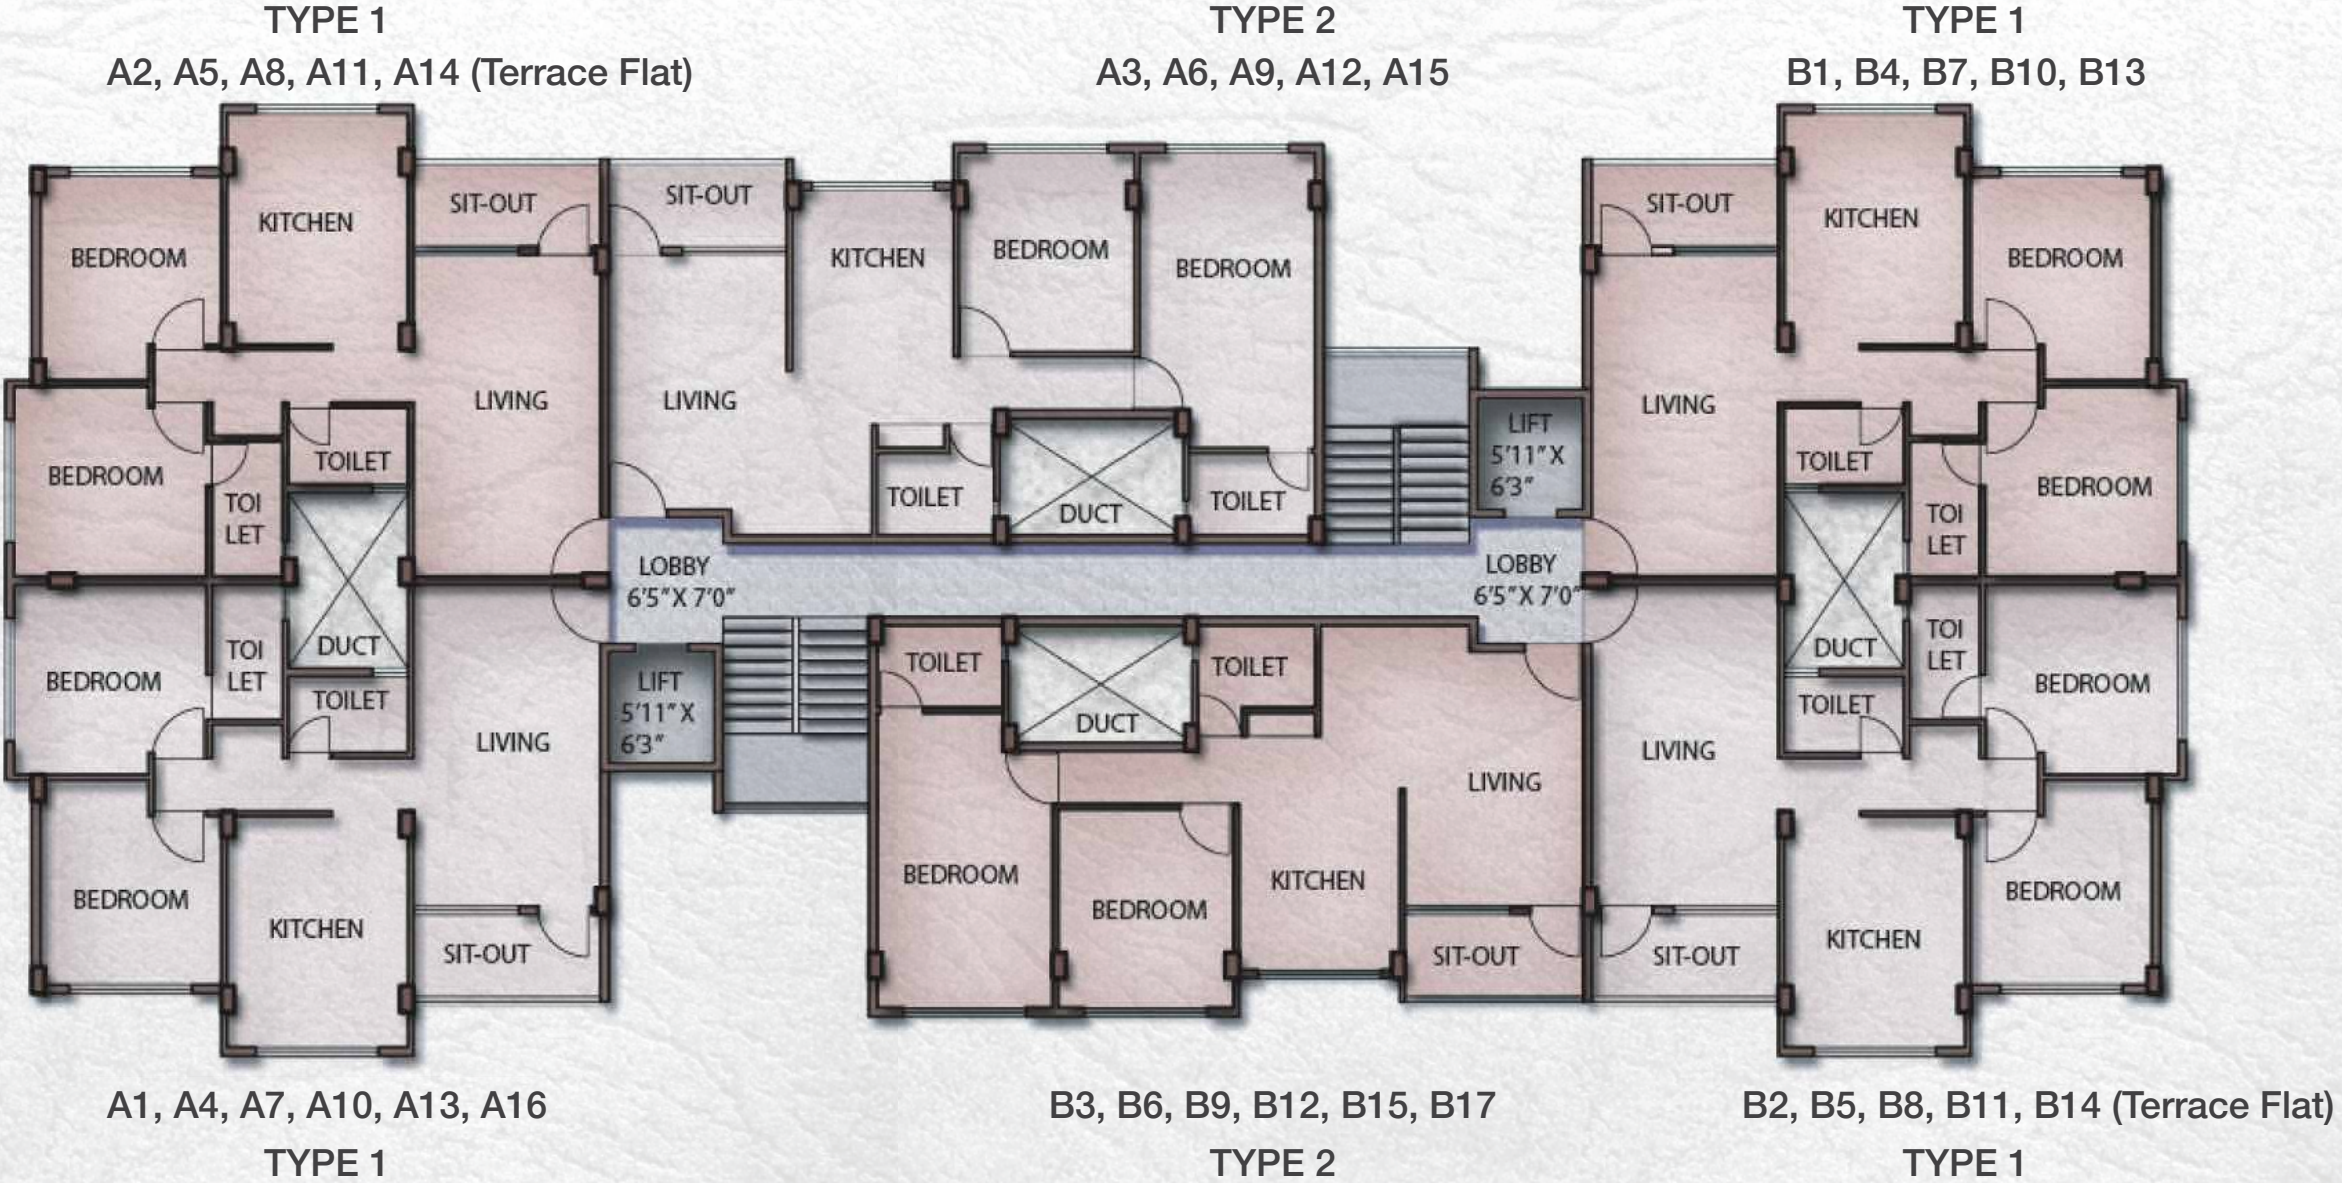

We at Maitreyas are committed to make this project an iconic one.
