The background is a solid teal color. On the left side, there are several concentric, semi-circular lines that fade out towards the center. At the bottom, there is a complex, wavy pattern of many thin, overlapping lines that create a sense of depth and movement.

imagine
xtra living

Where life feels different and everything around you is in abundance and made easy.

A place where calm, comfort and connection weave a lifestyle that feels nurturing, elevated and truly complete.

spaces which feel right

It's in the morning light that fills every room, the laughter that echoes from the balcony, and the quiet that settles when the day ends.

Homes where everyday life finally feels effortless.

KDMS Skywalk, here xtra is a way of living

Two elegant towers rise gracefully over Patrakar Colony - Mansarovar Jaipur's most rapidly developing and well-connected locale.

Skywalk brings thoughtful design and careful planning together and offers Xtra living in true abundance. Every home follows vastu and connects indoor and outdoor spaces with a natural flow. It creates one of the finest residential experiences for modern family life.
