

A project of SALARPURIA SATTVA GROUP

LUXURIA
SUPER-LUXURY HOMES AT MALLESHWARAM

There was a time when
you'd chased success.

Now, it's the other way around.

You're well past those early milestones like first job, first promotion and first car. It's time that you raised the standard of living by a few notches. Welcome to Luxuria. An address worthy of your status at Malleshwaram. Choose from a range of super-luxury 3-bedroom apartments, villament flats and penthouses.

Get treated like Royalty.

For the modern day czars like you, there are enough amusements at Luxuria. To begin with, the location. Since, Malleshwaram is home to the best of malls, schools, night spots, metro rail station and hospitals, you needn't worry about missing out on action.

Now, turn your attention to your kingsize home. Ranging between 2200 sq. ft. and 4500 sq. ft. each apartment is designed to let in maximum natural light and ventilation. And to your delight, there is no common wall between homes, giving you a clutterless, three-sided view of the world.

At ground zero, the project speaks of a voluminous 82% green space. Then there's a water cascade, an amphitheatre and a large gathering space for hobnobbing with neighbours.

Coming to amenities. There's a beautiful swimming pool on the clubhouse terrace to give you a panoramic view of the city. Or if you prefer, there's a steam, sauna and outdoor jacuzzi to unwind after a tough day.

Planning to kickstart the day with a game of tennis or squash? Keen to sharpen your aim at basketball? Take a call. Luckily, the kids won't bother you for outings, for there are enough friends to hangout with. Besides, there's a practice pitch for cricket and a well-equipped play area for toddlers.

For the party lovers, there's a large party lounge to croon and shake a leg. Did we forget to mention the gym and the billiards? Well, these are a given in a project of this scale.

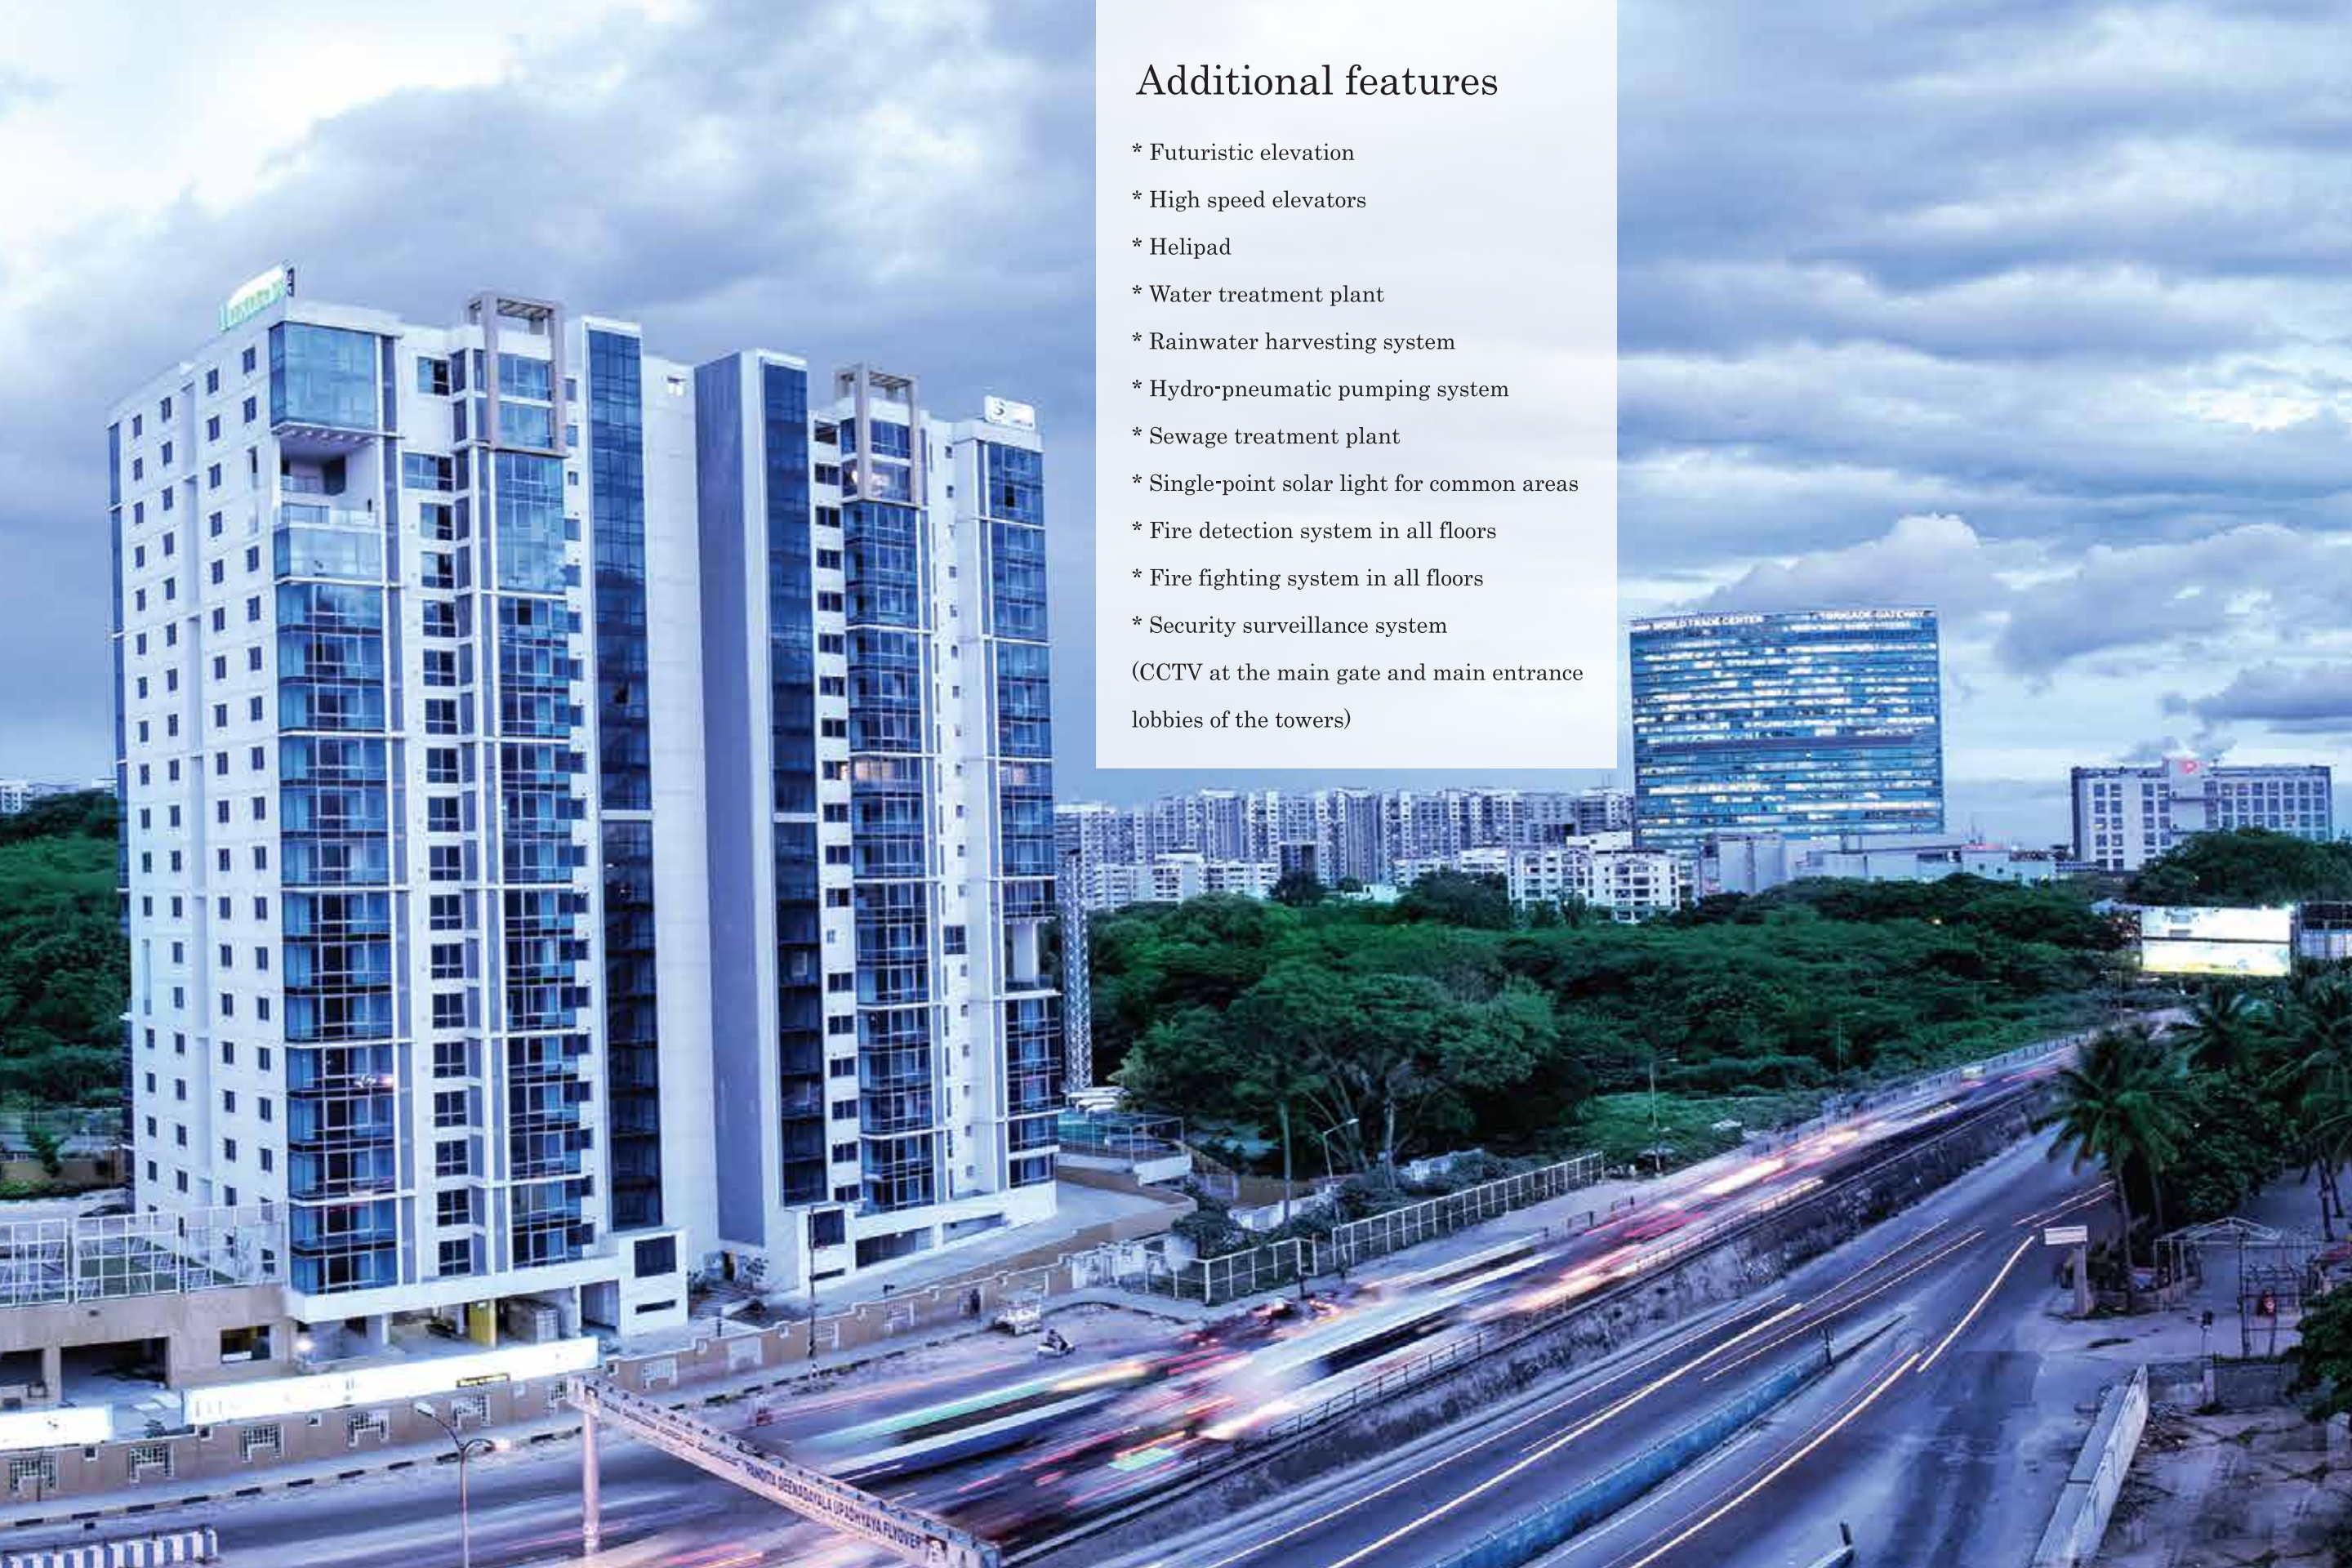

All in all, a home that'll pamper you in every sense.

Additional features

- * Futuristic elevation
- * High speed elevators
- * Helipad
