MORE ROOM FOR LIFE

Imagine a home that defies conventions. Two Way Homes are a result of years of planning and research. They are built to international standards with contemporary designs. Different from anything you have experienced before, they break the barriers of the cliched four walls. The new evolved homes in 3 and 4 bedroom options, offer the flexibility to have either 2 or 3 rooms on the first floor. Now there is more space and hence definitely more room to live life to the hilt.

**TWO

YES. THE GARDEN COMES FREE

TWO WAY HOMES

Imagine a home that extends into an expansive lush green garden. It will be hard to separate where your home ends and where the garden begins. Find a new hangout for your morning cup of tea, a solitary book reading session in the sun or an evening with your friends over endless gossip. Two Way Homes offer the best of independent and community living in a rare harmony, exemplifying privacy within a vibrant neighborhood. Now there is so much to explore each day.
