

Bela

Live
your
dream
life

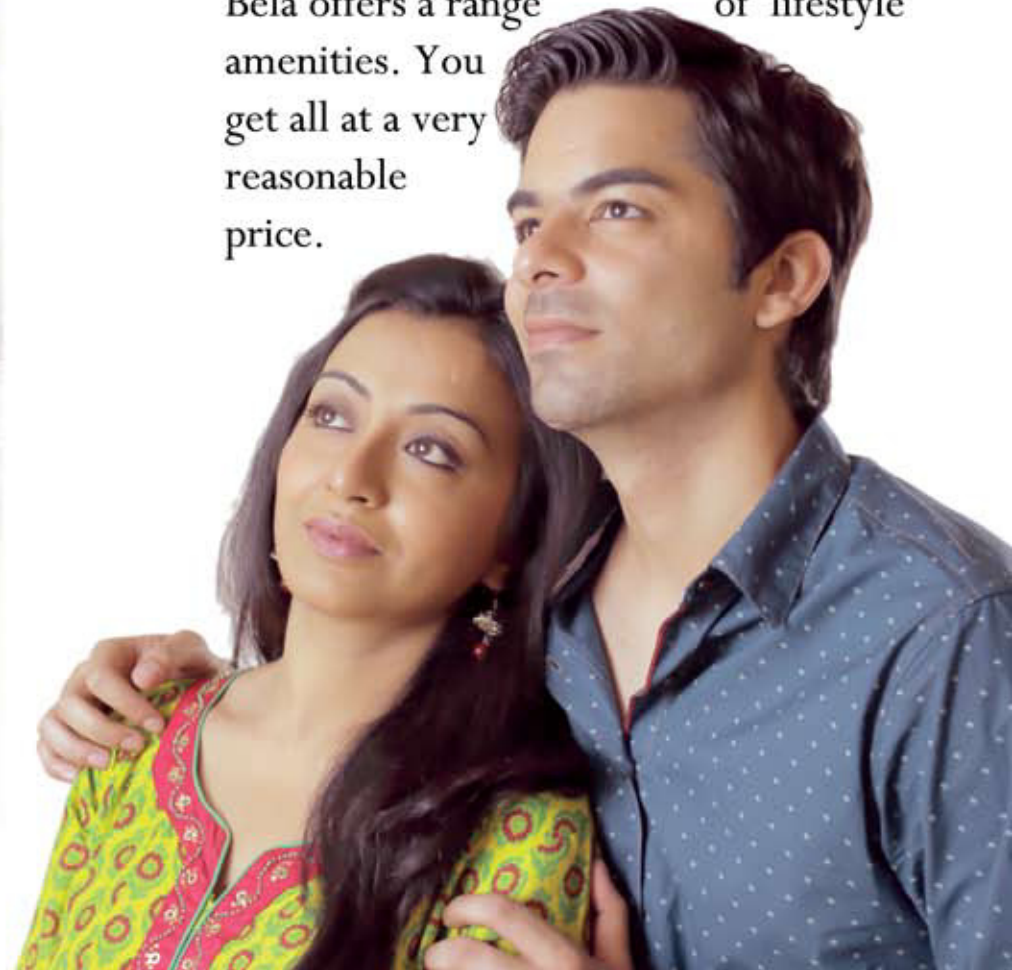

What is a dream life?

When your desires take shape in the ambience of your existence. One that is full of happiness. One that offers you utmost luxury. Where peace abounds and satisfaction reigns supreme. Presenting Bela, a housing that offers you all these and more.

Bela is an offering from experienced players of the real estate field. It is coming up at one of the best locations at New Town Rajarhat. Another major feature of this project is its utmost quality, be it construction or designing. Bela offers a range of lifestyle amenities. You get all at a very reasonable price.

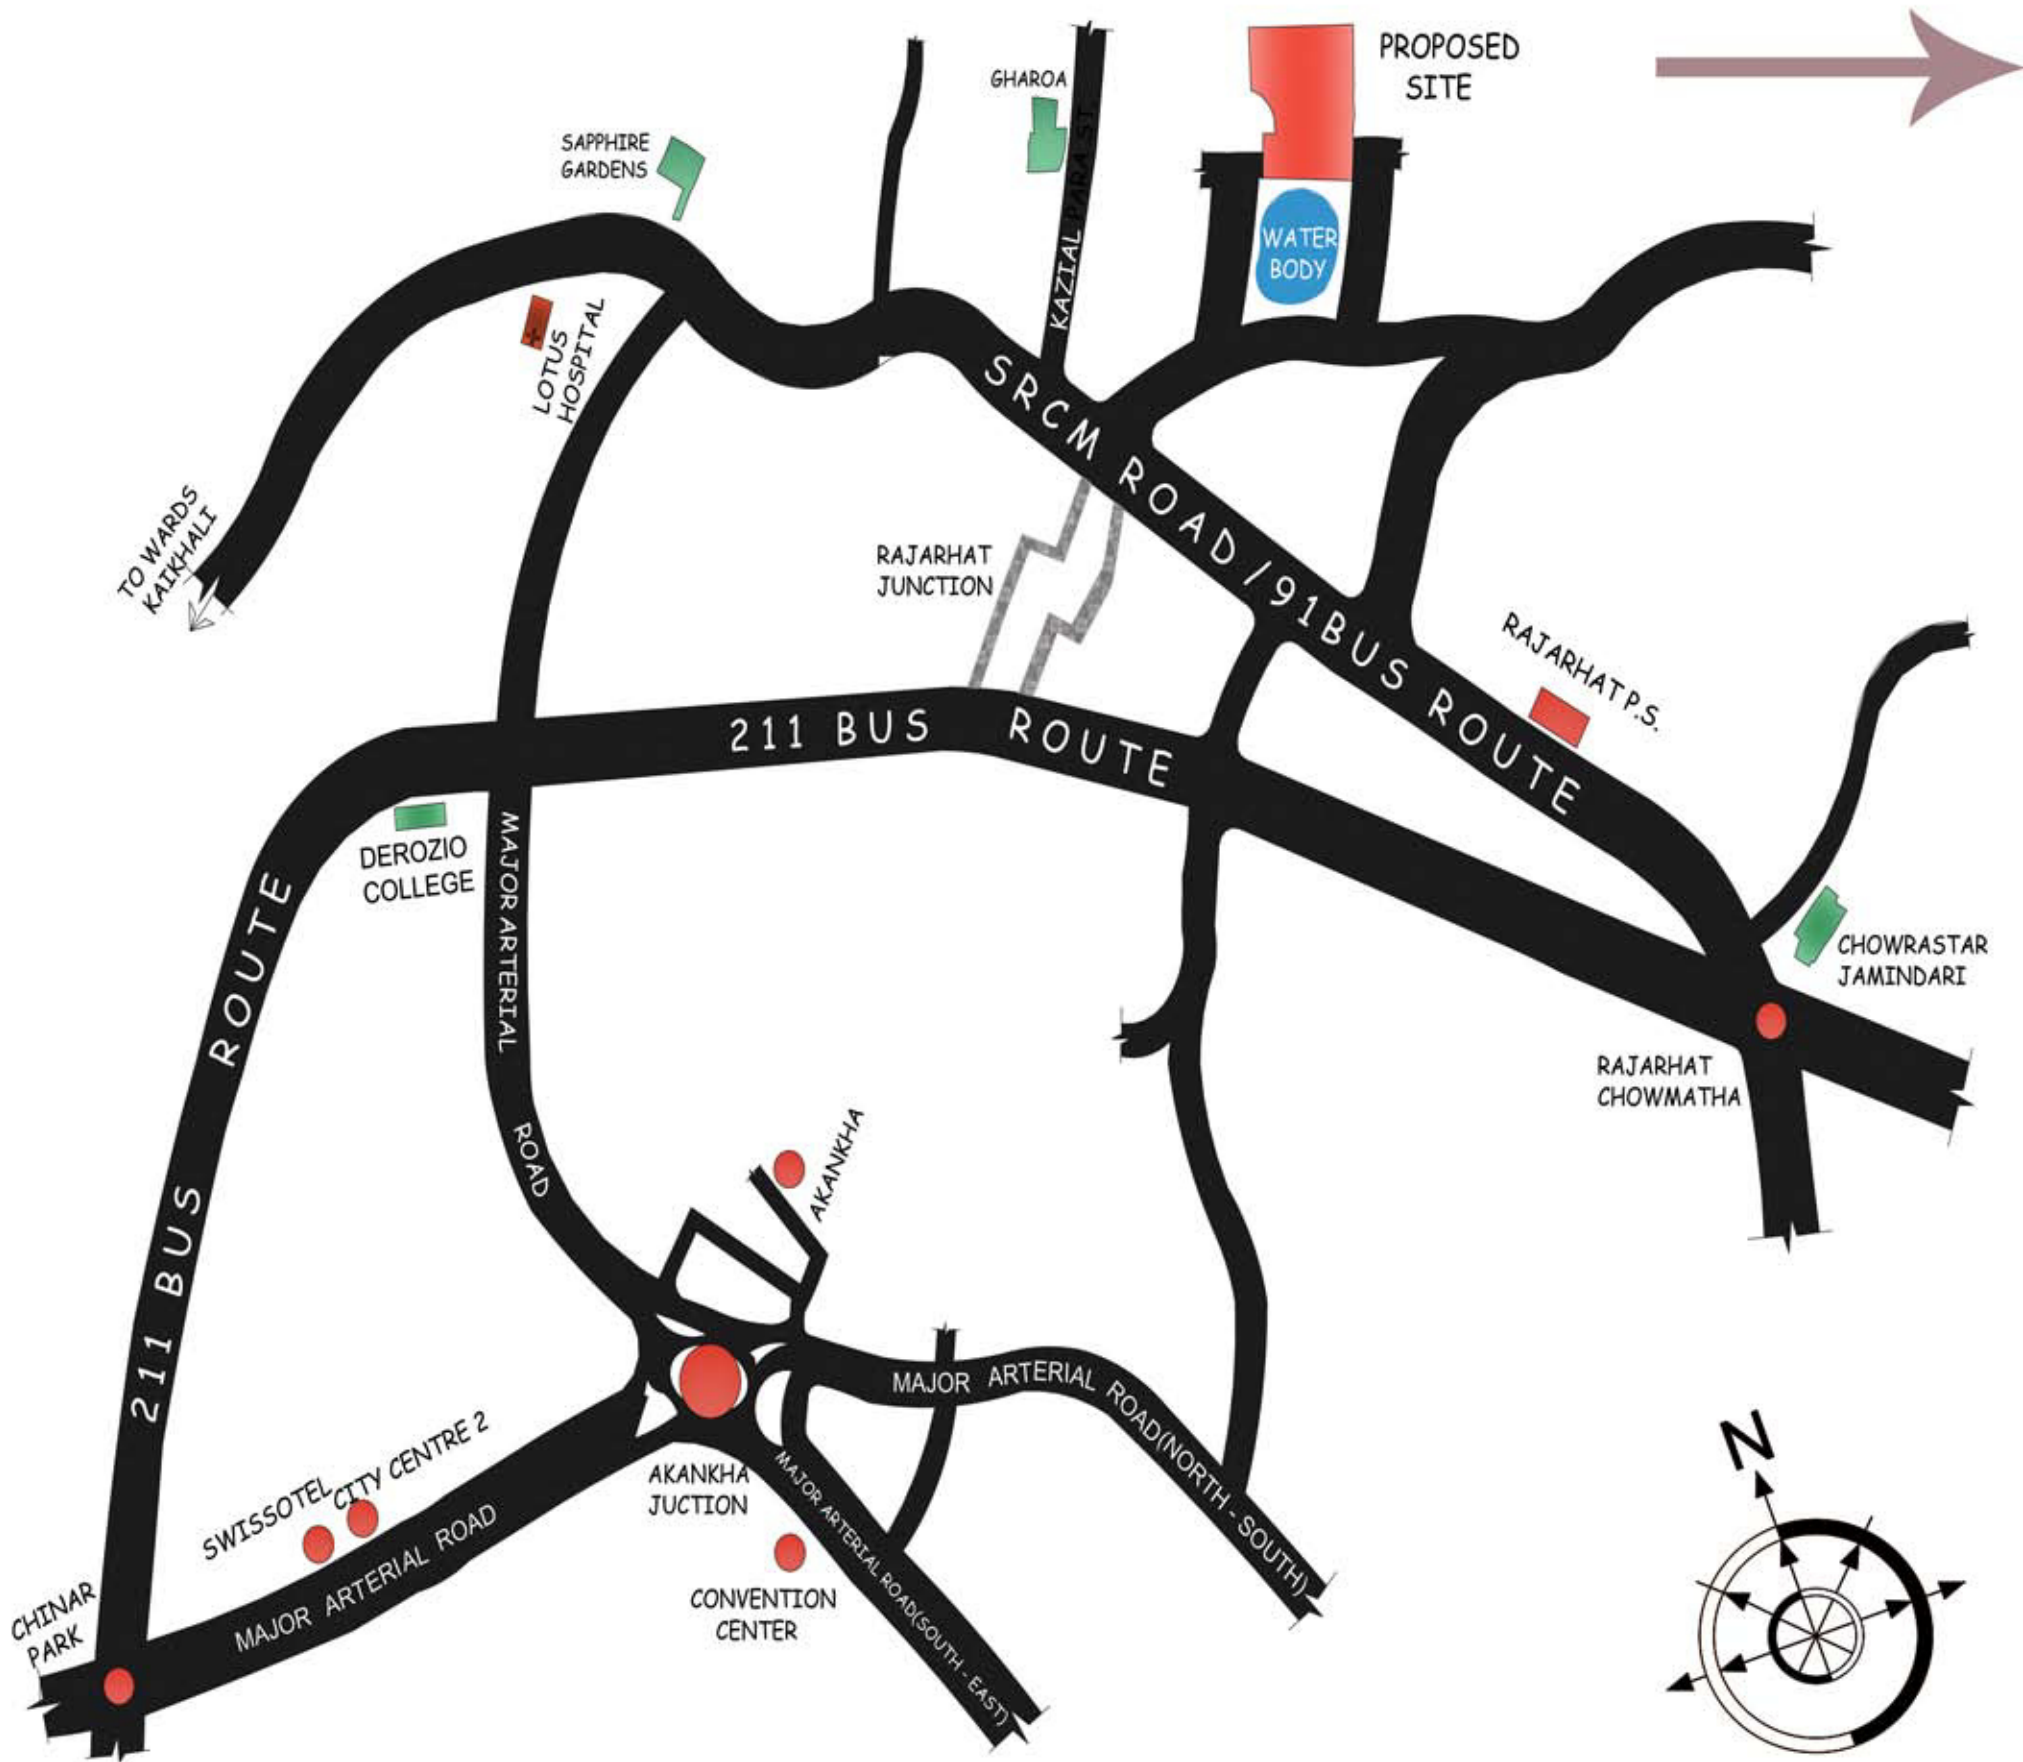

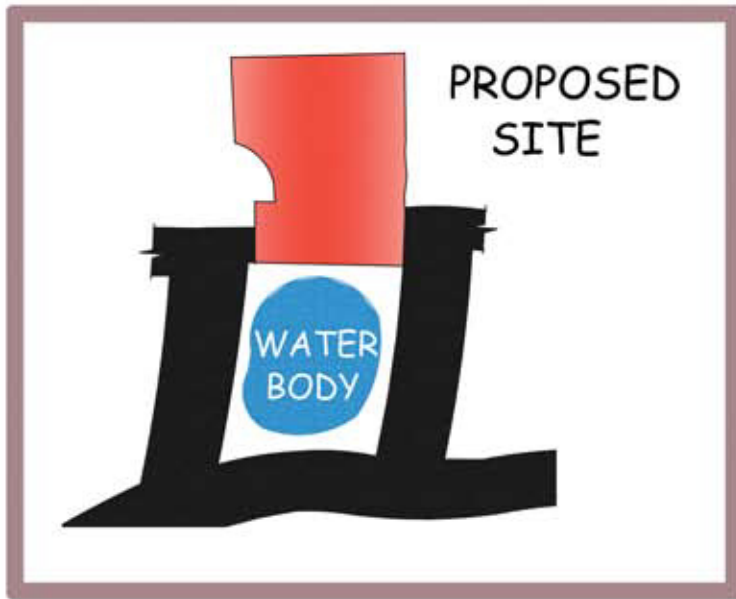

**A beauty:
you look at it**

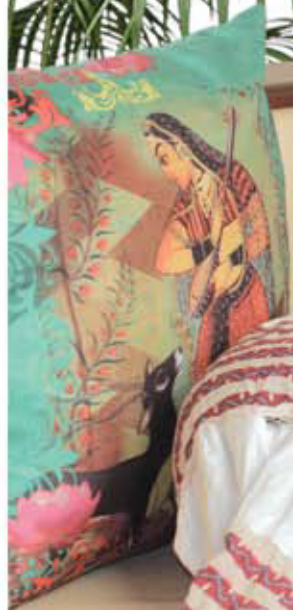

A location that makes life come alive

The location is the heart of this project. Bela is coming up at a place that is unique in many ways. It is removed from the hustle-bustle of the city yet very close to destination like Market, Hospital, School College, Airport, Express High Way etc. offering your life of the topmost quality.

Architecture
that makes
life classy
and convenient

Top quality at every step for a top quality life

Bits by bits grows the best. Nothing but only the best will find a place at Bela. Building material of the highest grade will be used. Accessories belonging to leading brands will adorn your home. Facilities that are class apart will be provided. Be assured of each and everything that would make owning a home here a truly satisfying experience.

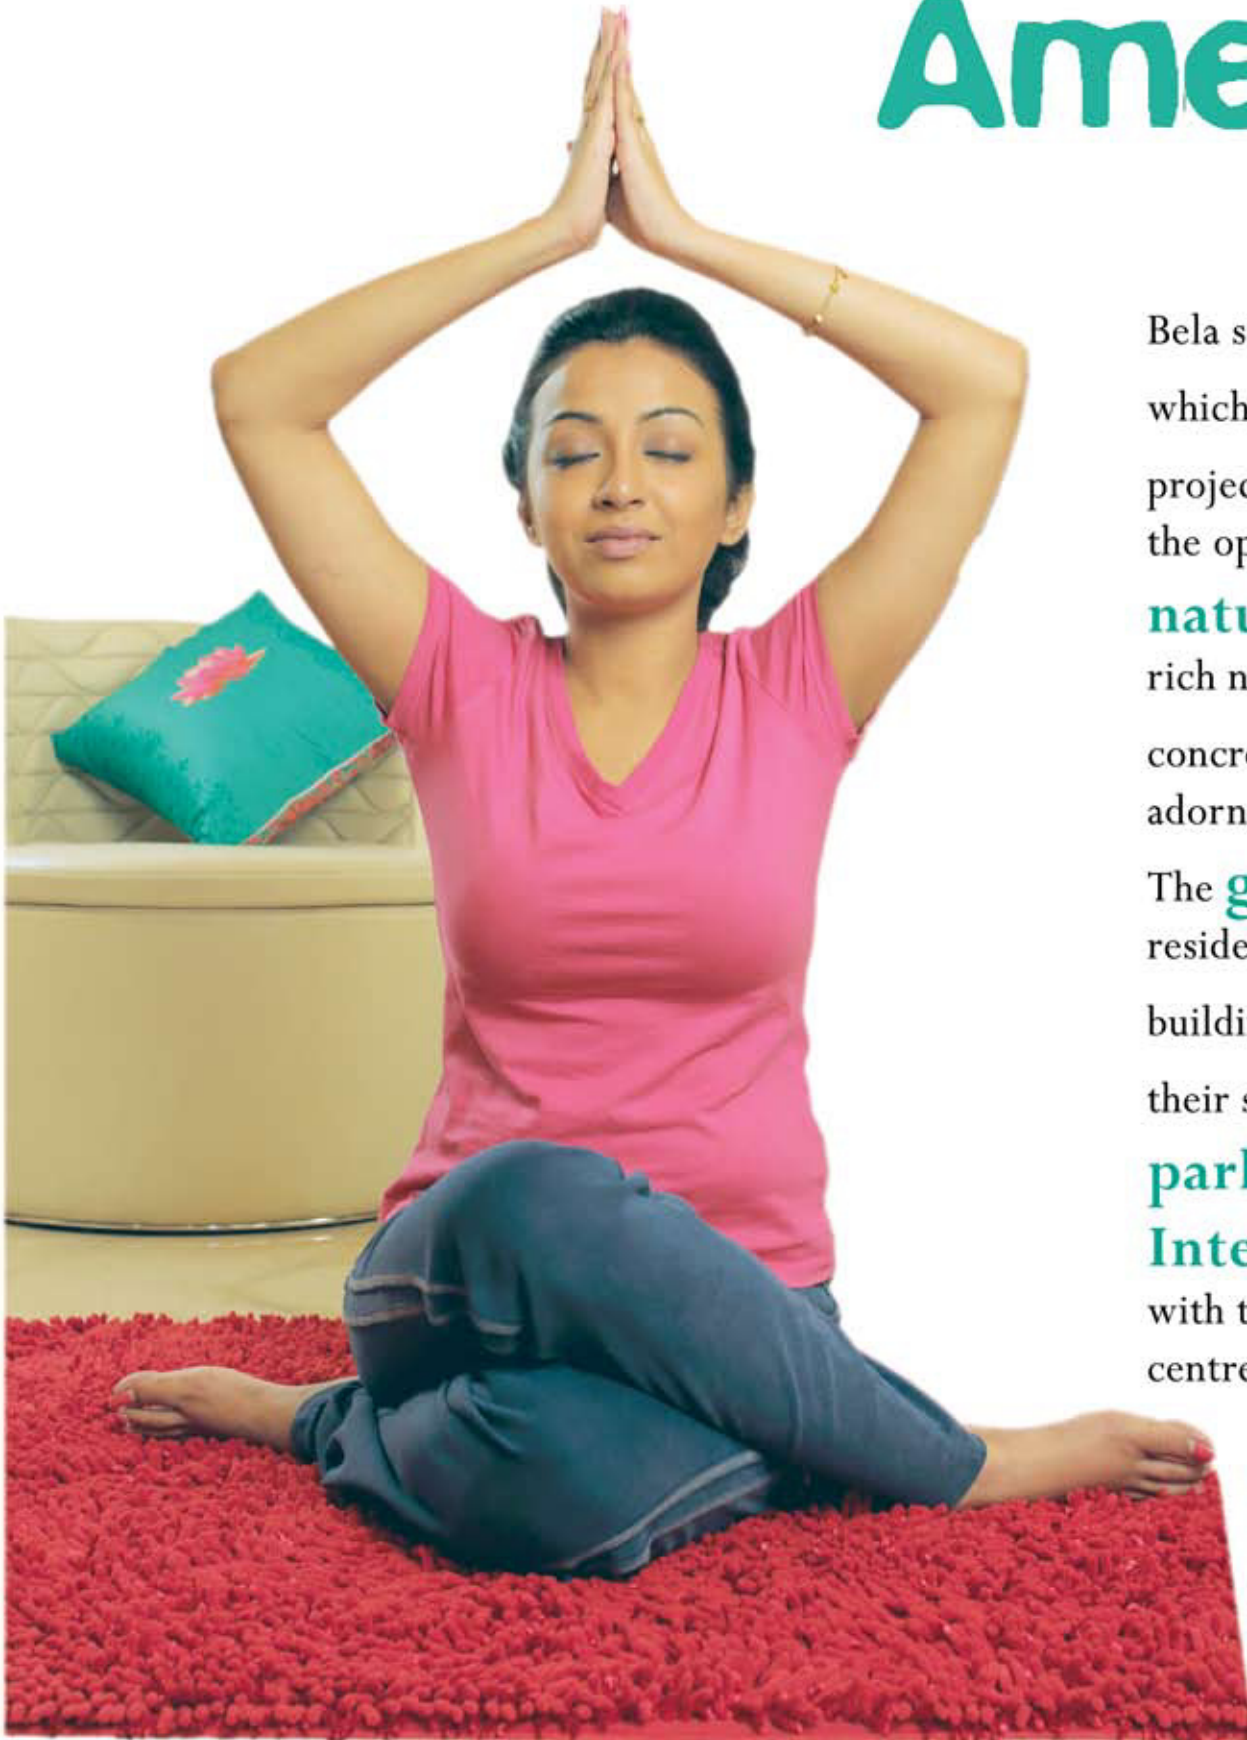

A design life that makes and elegant cosy

An intimate style

Amenities

Bela stands out with a unique design which has **50% open area** in the project. **Landscape garden** decors the open space and a sprawling **natural water body** adds to the rich natural ambience around the stylish concrete. A soothing **swimming pool** adorns the garden with its coolness.

The **gymnasium** is dedicated to the residents' physical well being, while the building's **community hall** nurtures their social needs. The **covered car parking** facility is convenient and secured. **Intercom** connects all the apartments with the overall maintenance and security centre of the housing complex.
