Homes with a lifestyle that
match your personality!

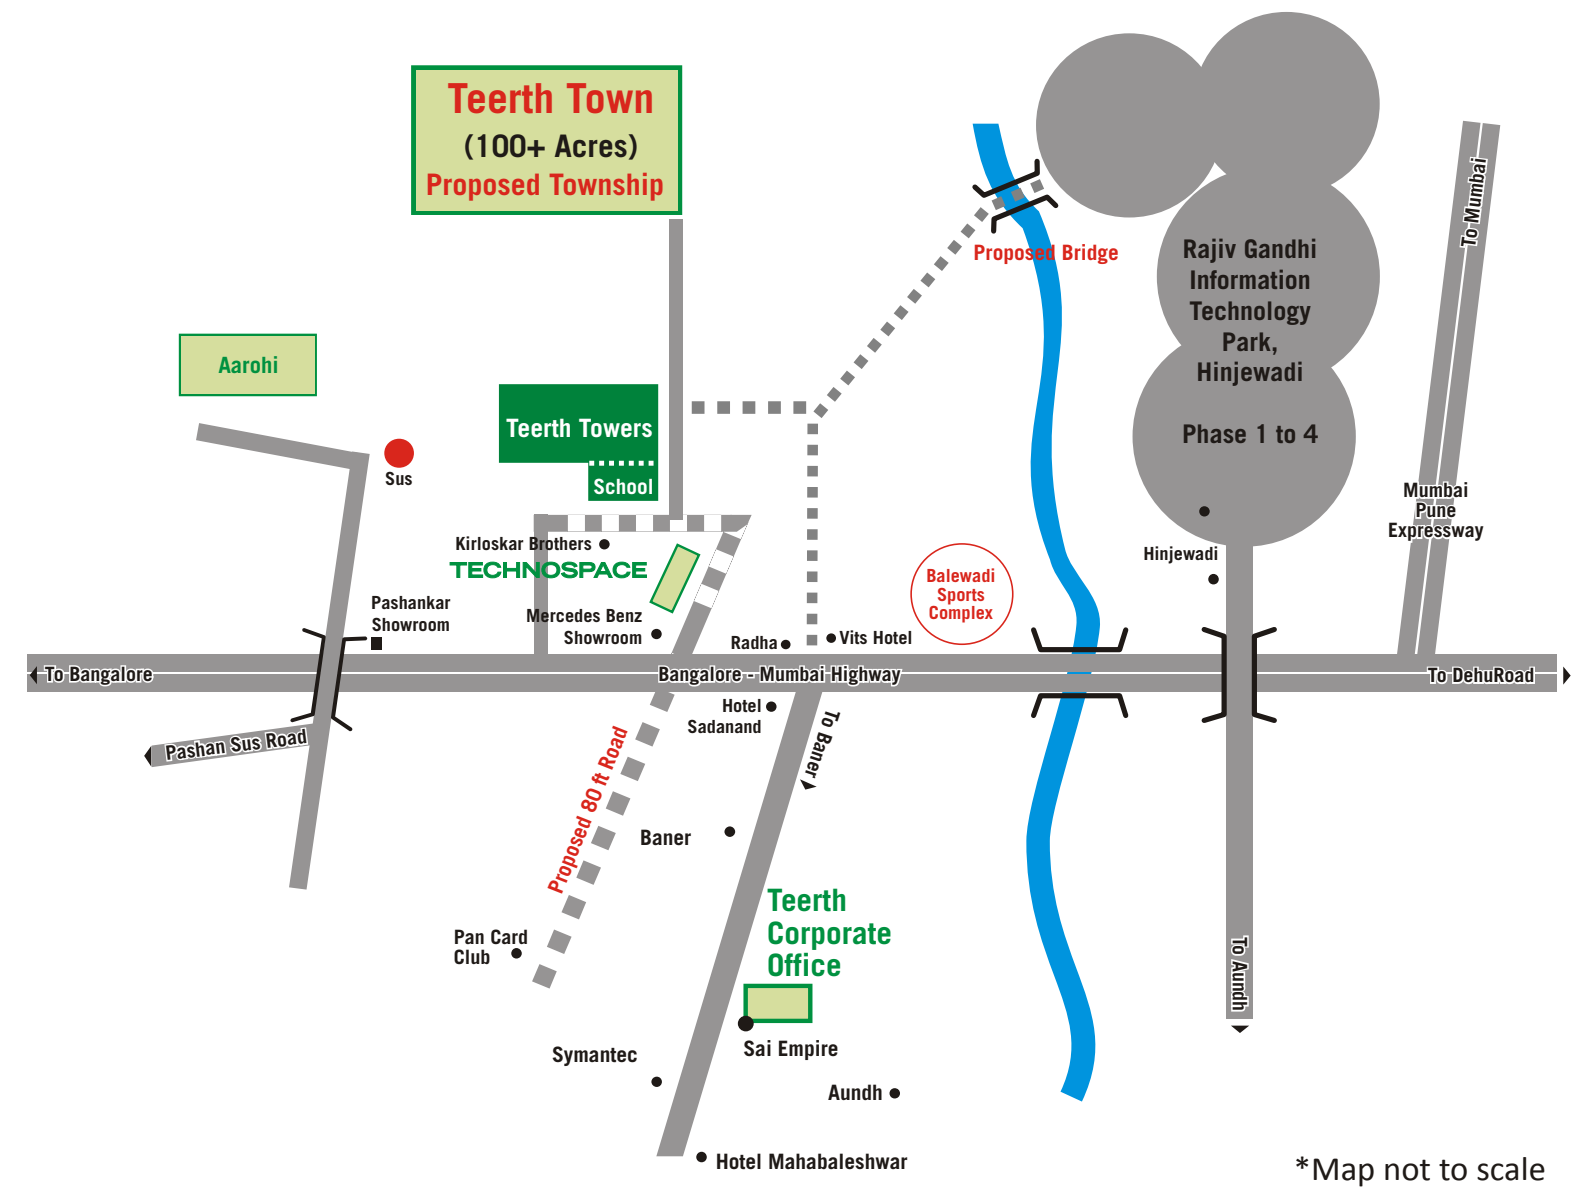

AAROHI

2 / 3 BHK Apartments

SUS

The location to match your needs!

Sus Road has become the most sought after address for those in search of serenity and verdant green pockets. Lush green hills flank the property and the site is pollution free. Sus Road is well connected to important roads and places. The Mumbai-Pune highway is just 3 km away while University of Pune and Chandani Chowk (Kothrud) is approximately 5 km away. In addition to this, Aarohi shares close proximity to Pune's prime locales like Baner, Hinjewadi, University Circle etc. Aarohi also shares boundaries with Vidya Valley School and is just 4 km away from Vibgyor High International School which will be operational from June 2011. It has good connectivity via the highway to Rajiv Gandhi InfoTech Park in Hinjewadi which houses Fortune 500 IT companies. In all, it is the perfect location that meets your needs!

SUS

The facilities that give you a great lifestyle.

Bonding between residents is very important to a healthy community living. Hence, a wide range of facilities await residents of Aarohi. Sports are high on our list and keeping in mind the stressful lives we lead, a meditation hall has been designed too. For the kids, there's enough to keep them happy and to complete the perfect picture, a party area has been created. In brief, residents of Aarohi can look forward to a great lifestyle within the complex itself!

CLUB HOUSE

Pool Table		

The Promise of a lifestyle

Discover homes that match your lifestyle only at Aarohi

AAROHI

Luxuries that match your lifestyle

190 customers, who purchased flats even before the launch was announced, have been instrumental in helping us understand their expectations. Their inputs have been incorporated in our plans.

AAROHI

To welcome the visitors of residents, a special visitors parking has been planned.

Piped gas, water treatment plant, garbage chutes are some of the facilities which

will give the residents that special quality living experience. In keeping with

environmental concerns, rain-water harvesting has been planned. For high

standards of maintenance, a professional agency has been contracted. To meet such

extra expenses and to ensure that it does not become a burden on the residents, a

shopping complex has been created for generating revenue towards the

maintenance fund.

The project designed to fulfill your dreams
