ABOUT US

A group that was formed two decades ago with sheer determination to deliver quality product with highest efficiency to people of its state. Breaking the state barriers today, we have diversified interests all across India (like the states of West Bengal, NCR, Rajasthan, Madhya Pradesh, Maharashtra, Tripura, Punjab and Haryana) with businesses ranging from Manufacturing of edible oils to Real estate development, Infrastructure development, finance and investment, IT / Education, Non- Conventional power generation, shopping malls and hospitality.

A group, which has always being associated with 'quality' product, we want to cater to the quality market.
