WHERE
ELEVATION
BEGINS

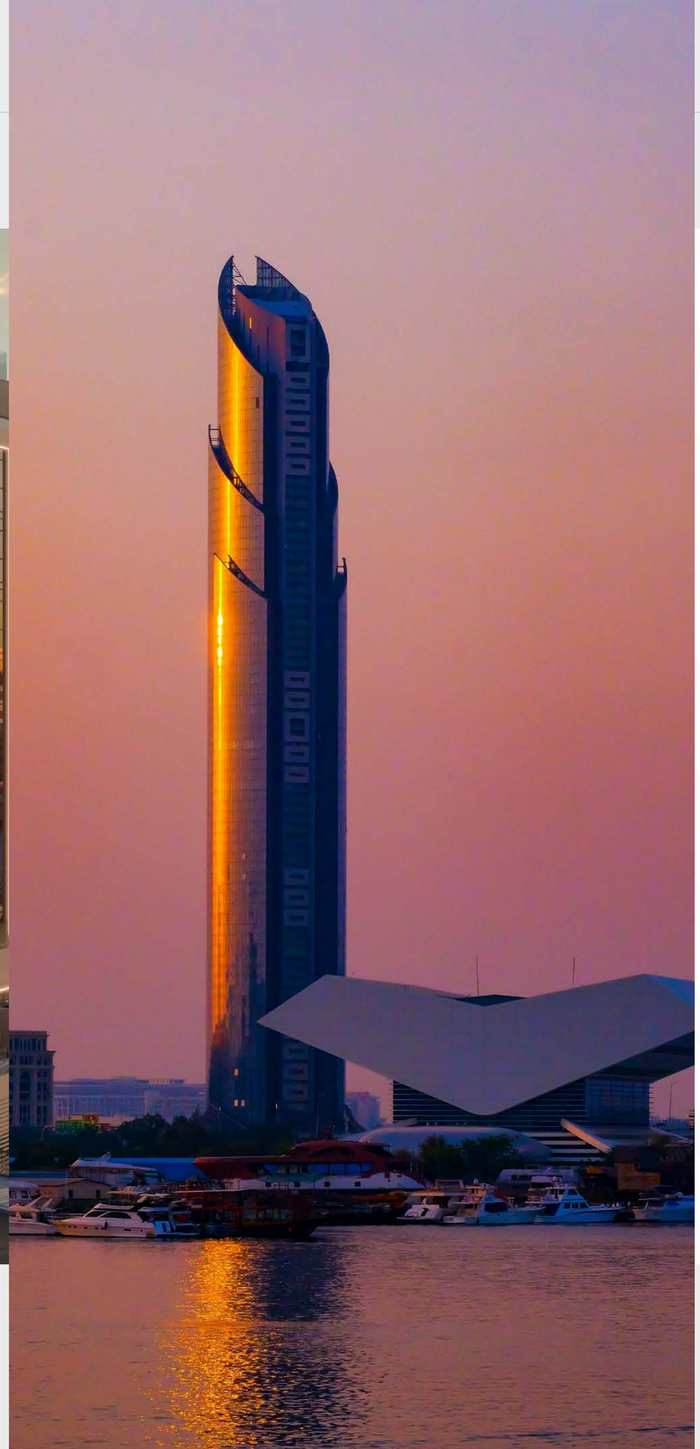

CELESTE IS NOT DEFINED BY HEIGHT. IT'S DEFINED BY PERSPECTIVE.

At the meeting point of water and movement, Celeste offers a more fluid way to live. In Al Jaddaf, a district quietly transforming into one of Dubai's most connected and culturally attuned neighbourhoods, this is where clarity replaces clutter, and rhythm returns to everyday life.

THE INTERSECTION OF FLOW & ACCESS

Perfectly positioned between the energy of Downtown and the calm of the Al Jaddaf Waterfront, Celeste offers seamless access to schools, hospitals, hotels, and art spaces, while remaining just removed enough to feel like a retreat.

HERE, MOVEMENT
AND STILLNESS
AREN'T OPPOSITES.
THEY'RE IN SYNC.

WATERFRONT LIVING WITH A CULTURAL PULSE

Al Jaddaf Waterfront is fast becoming a go-to spot for culture, art, and easy waterfront living, and Celeste puts you right at the heart of it. Landmarks like the Jameel Arts Centre, Dubai Creek Golf & Yacht Club, and Mohammed Bin Rashid Library are all just around the corner.

FROM STUDIO TO SKYLINE

From light-filled one to three-bedroom residences, every unit at Celeste is made to feel elevated, not by height, but by design.

Layouts are generous, views are uninterrupted, and the feeling is unmistakably calm.

ELEVATED BY DESIGN

Apartments are sculpted to invite light, hold space, and create calm. Materials are warm and understated. Lines are clean, open, and deliberate.

Every detail is intentional, from panoramic windows to considered proportions, to support a sense of quiet, everyday elevation.
