About Developer

Omaxe as the name says it all, was established in Construction Industry in 1999 in India. Since then Omaxe has proved to be one of the leading Real Estate developers in Residential/Commercial space. Predominant in Northern part of India i.e. (Delhi, Haryana, Punjab, Jaipur). However, Omaxe is already spreading its wings into other Indian states. Omaxe has completed around 10 development projects to very high specification in a very short span of less than 5 years. Dominant in Residential development, Omaxe has completed 2 commercial projects as well covering a little over 5 million square feet of area.

Omaxe is known for "On time delivery" of projects and is currently in different stages of development of 46 projects in India. Some of these also include group housing projects (19), integrated townships (13), Mega shopping malls and commercial Multi-complexes (13) and hotels. This totals to around 140 million sq ft of saleable area across 30 towns in 9 states in Northern and Central India which is more than 25 times to what they have achieved so far.
