INTELLIGENT PLANNING

Embrace serenity, cleanliness, and picturesque views as integral elements of your living experience. We've curated a space that enhances your internal surroundings by eliminating noise pollution. With no parking along the side margins, our internal roads remain pristine, offering a beautiful view of the campus landscape from nearly every unit.

COOLER HOMES

When the cool, pristine breeze constantly flows across your home, throughout the day, the temperature of your home is bound to come down creating a cool space. Cavity wall helps in reducing heat transfer, lowers energy consumption, prevents moisture issues & increases building's lifespan.

LESS HEAT, BETTER WIND FLOW

BUILDING ORIENTATION

The towers are planned thoughtfully and situated brilliantly in such a way that it elevates the quality of life of its residents to a new heights. Majority of flats having east / west opening.

AMPLE SUNLIGHT

Full length sliding windows along with openness all around ensures not only breath-taking views but also ample sunlight and reduction in electricity consumption.
