ABOUT OUR PROJECT

Mars The planet is a different planet altogether-hospitable, attractive and affordable.
The project situated in one of Bangalore city's most sought after and best-connected localities- RR Nagar and BSK III stage, offers 2, 2.5, 3, 3.5 & 4.5 BHK Duplex apartments at reasonable prices.

Being close to Mysore Road Metro station, Hosakerehalli PESIT Nice Road Toll gate, shopping malls, well equipped hospitals, reputed schools & colleges and IT Hub Global Village Tech Park, one can commute with ease.

Thoughtfully designed to harness the bounties of nature, a large area is dedicated to greenery. Landscaping is a visual treat.
Each home is naturally well lit, uncluttered and breezy. With none of home sharing a common wall, the project is one of its kind.
We value your privacy. Every apartment is Vaastu compliant. Wide balconies offer a vantage point and incredible view accentuating serenity.
