4 Point Homes

S&S Green Projects

A New Standard for Quality Home

Since our inception in 1988, S&S Green Projects Pvt. Ltd strives to create architectural masterworks that reflect our creativity and engineering excellence.

One of the main reasons for the longevity of S &S Green Projects is its uncompromising commitment in reaffirming highest level of quality, transparency, and integrity; driven by the philosophy of building homes that are healthier & happier.

Being a pioneer in this field, our revolutionary 4-point homes concept stands tall in terms of the quality of air, use of natural light, water conservation, and good health; promising a healthier and happier life.
