About Us

Bharathi Construction is a leading construction firm operating throughout Chennai. We are proud to improve the lives of Indians every day by building residential construction site development.

Our highly-skilled teams have constructed many of the Residential Apartments Building construction projects in **"SOUTH CHENNAI"** that benefit the communities in which we live and work.

We having qualified civil engineer's, we have an exceptionally got strong record with vastu experience in the construction industry like residential apartment buildings, Commercial buildings, and multi-storey buildings in INDIA and abroad since 1997 and we has grown the Bharathi Construction company in the last 10 years with our customer's trust. We gets involved in the day-to-day work to provide our technical knowledge & to ensure quality.
