

Adai is a nature lover's dream come true. The mighty hills of the Western Ghats woven with virgin green forests and pristine waterways make it one of the most scenic locales in Navi Mumbai. Bustling with an abundance of green trees, Adai is a paradise for life of bloom. So it is no wonder that SSV Builders is sculpting its new lifestyle landmark in the heart of Adai, Panvel.

Artist's Impression

At ELITE, we believe infrastructure needs to be felt, not just seen. Which is why, we are treating concrete with warmth and providing for you homes that make living, a distinct pleasure.

ELITE is more than just a home. It's your opportunity to live life, on your terms and your price. The experience begins from the very first glance itself, of this aesthetically designed G+6 Storeyed Residential building with 1 BHK Flats & Shops. Once in, you are now basking in the comfort of your very own private world that offers you uncompromised luxury inside and unparalleled serenity outside.

ELITE at New Panvel stands testimony to that belief.
