Profile

Our homes are designed keeping in mind the contemporary trends. MS Foundation offer world class facilities and are equipped with all the indispensable modern amenities. You receive all the benefits of living in a gated community with our housing projects.

Our motto is "Strive for excellence" and our projects bear testimony to the fact that we always stick to it. Customer is the king and it's our job to give him that lavish experience. We value and cherish our relationship with the customer. We ensure that it's a smooth journey for the customer right from selecting the house to the after sale services. We make life easy!

More so as a gated community, this township holds some distinguished advantages in bringing you incomparably superb independent villas in a perfectly gated community. While you have the opportunity to choose the kind of home you want, we build it to perfection exceeding the best of your expectations. You are the sole owner of the property you book for without any hassles whatsoever. Also, the gated community gives you all that you want in one place in the nearest proximity adding a royal touch and the best of conveniences for a great living. So, once you own your house here, you have everything you can think of for a peaceful, royal and convenient living
