

MORE THAN JUST
AN APARTMENT;
IT'S YOUR

DE CASA

A surreal scene featuring a classical marble statue of an angel with large, feathered wings. The statue is seated on a contemporary, light-colored sofa with several cushions. The angel is holding a small, dark-colored cup to its lips with its right hand, while its left arm rests on the sofa's backrest. In the foreground, on a low wooden table, sits a white coffee cup on a saucer with a spoon, a whole brown egg, and a white teapot. The background is a wall with a light, marbled texture. The overall lighting is soft and warm, creating a peaceful and elegant atmosphere.
