

LIFE TAKES YOU TO
UNEXPECTED PLACES,
LOVE BRINGS YOU
HOME

PROJECT BY

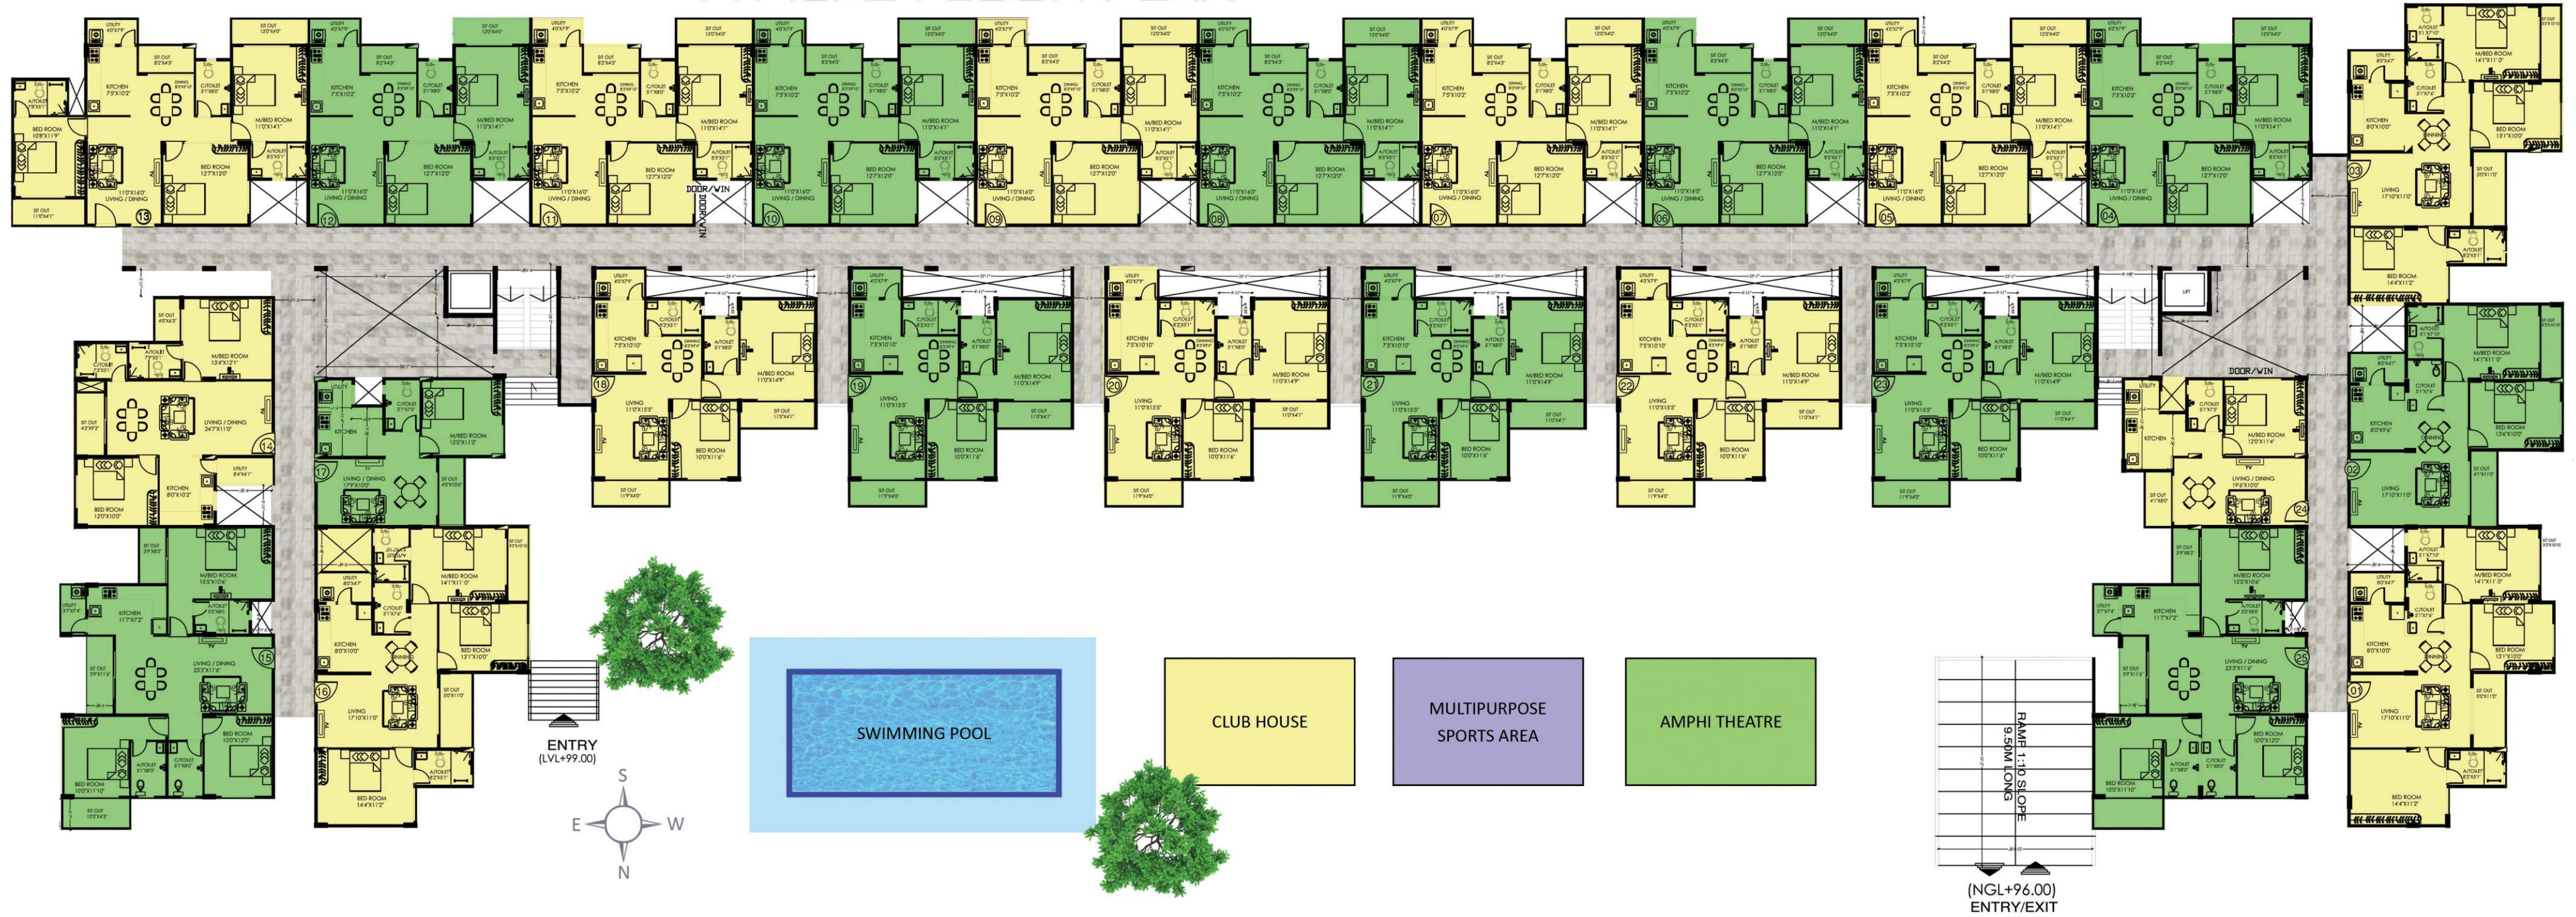

Spread across 1.5 acres of good living, you will see how our Architects, Landscape Artists & Engineers join hands to give you a home that exceeds your expectations. This project is located in 10 acres BDA approved layout. S V Infrastructure invites you to a world of aesthetic beauty and tastefully landscaped surroundings. Privacy is of utmost importance, but so is the social aspect of living among like-minded peers. The best thing about coming home is that you can bring the outdoors along with every inch spaciouly designed and every brick carefully laid, you get the space you need and the home you love. With the provision for eco-friendly homes, health and fitness amenities and many other facilities, S V Meadows ensures a happy home for every person to live in at an affordable price.

BDA APPROVED

OC/CC with individual "A" katha

TYPICAL FLOOR PLAN

A 3D architectural rendering of a modern house layout, showing multiple rooms including bedrooms, a bathroom, a kitchen, and a living area, all furnished with contemporary decor. The house features a central living area with a large glass partition, a kitchen with a white countertop and blue backsplash, and several bedrooms with wooden beds and wardrobes. The exterior includes a balcony and a green lawn.

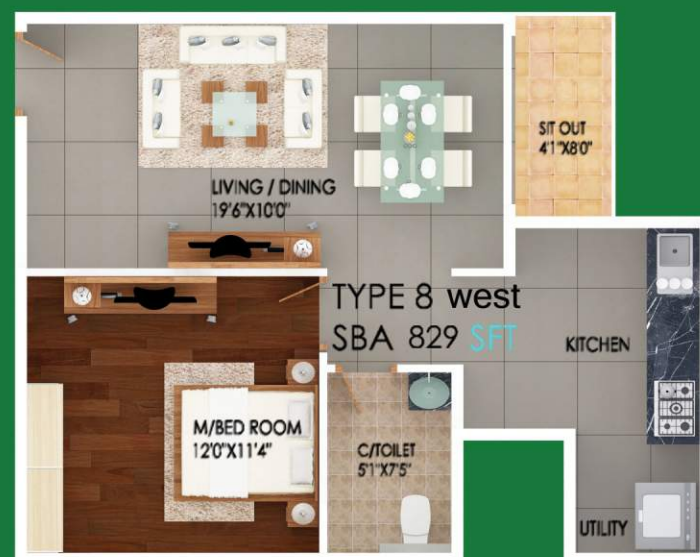

A 3D architectural rendering of a modern house interior, viewed from an elevated perspective. The house features a green exterior wall and a white roof. The interior is divided into several rooms: a living area with a large wooden TV stand, a dining area with a round table and chairs, a kitchen with a dark countertop, a bathroom with a glass shower, and two bedrooms with beds. The flooring is a mix of light wood and dark wood. The house is surrounded by a green lawn and a blue sky.

A 3D architectural rendering of a modern, minimalist house. The house is characterized by its clean lines and neutral color palette, primarily white walls and light-colored wooden flooring. The layout includes a central living area with a glass partition, a dining area with a glass table, a kitchen with a green wall, and two bedrooms with white beds. The house is surrounded by a green lawn and has a small balcony with a glass railing.
