The lightning-fast development of Pumbal is tantamount to the creation of a chapter in history as well as geography. Development activity has picked up momentum in this region. Guess why Pumbal is so much in the news? Well, Pumbal is strategically located near the Pune-Mumbai Expressway. And well-connected by rail. It is also well-connected by road to all the major hubs of Pune like Hinjawadi, Chakan, Talegaon, Akurdi, Aundh, Talwade, Pimpri-Chinchwad, etc. Pumbal is also located close to the Maharashtra Cricket Association Stadium located at Gahunje. Today, Pumbal is home to premier educational institutions like Symbiosis, Lotus Business School and Kirloskar Institute of Advanced Management Studies. And many more colleges and schools. Small wonder then that Pumbal is fast becoming the Gateway to Pune.
