**TRANSFORMING
LANDMARKS INTO BENCHMARKS**

For the last two decades, Tharwani Realty has been single—handedly carving a niche in the real estate in and around Mumbai. The group has built multi—use developments on a large scale and has introduced 58 philosophy into their developments. With a unique approach to sourcing, systemizing, synergizing, summoning and submitting, Tharwani Realty invests heavily in research and development to ensure they remain at the forefront of urban developments.

Through the environmentally friendly concepts of New Urbanism, their focus has been on converting suburban sprawls into well—planned urban communities such as the Navi Mumbai and Kalyan townships which encapsulate outstanding urban development. Their Clubhouses and community spaces have earned phenomenal repute. Tharwani Realty is set to create new benchmarks for the real estate industry by continuing to break new ground and incorporate the next level of aesthetics into their design, to create future.
