

### *The Forest Living*

In nature, forests are an ecosystem designed to provide nourishment and sustenance to all life forms. Abuzz with activity, forests are where all the denizens interact with each other symbiotically, giving and deriving benefits from each other. Forests are fertile, fecund places where life thrives in all its glory.

Forreste by Arvind in its true spirit is a lush green living space that not only fosters coexistence with nature but is also an adventure that one embarks upon, a life different from the mundane.

### *A Worthwhile Adventure\**

What city life takes away, Forrester intends to restore. The moment you set foot into these surroundings, you instantly disconnect with the noise & disturbance and plug into the myriad sights and experiences developed for you. Your children interact with nature, chase butterflies or hide in tree houses, as you watch life go by from the benches under the thicket, or while dipping your tired feet in lily ponds.

**We are Arvind SmartSpaces.**

**And we're here to raise the standard of design in real estate.**

At Arvind SmartSpaces, we combine the innate design sense that is in our DNA, with the power and credibility of an industrial house. This allows us to institutionalise our high design standards, and deliver them consistently, with scale and on schedule.

Since our entry into the real estate industry in 2009, we have developed projects that not only meet our customers' needs, but raise their expectations for how much a home can enhance their lives. We believe in customer centric design – which raises both the level of aesthetics and living standards. Our aim is to create a positive impact on lives of customers & their family by bringing this standard of design thinking to all customers, not just a select few.

## About Arvind

A legacy that spans over 90 years. A company that grew with the textile culture of an entire nation. A spirited journey of overcoming diverse challenges with innovative solutions. Since its inception in 1931, Arvind has written many success stories and re-written India's tastes in fashion.

Today, Arvind stands tall with presence marked throughout the apparel value chain from fibre to retail. The company rose up to become one of the largest producers of denim & woven fabrics in the world.

After owning the place of pride in almost every Indian's wardrobe Arvind ventured into designing homes for them. And thus Arvind set out on a new journey with their hearts firmly set on the singular vision of enriching lifestyles.

## OUR HERITAGE

### The Lalbhai Group: SPANNING SEVEN INDUSTRIES AND OVER 125 YEARS

The Lalbhai Group was founded in 1897 as a textile mill in pre-independent India. Since then, we have grown into a USD 2 billion conglomerate that has made its way to fashion capitals across the world through iconic brands like Calvin Klein, Tommy Hilfiger, Arrow and more. Now, we're taking our expertise and sense of design into the world of real estate. As varied as our ventures are, a common thread runs through all our work: a deep understanding of aesthetics and the discerning customer.
