BELLISSIMO

BEAUTIFULLY THOUGHTFUL

A flock of birds, possibly seagulls, is flying across a vast blue sky filled with soft, white, puffy clouds. The birds are scattered across the left and center of the frame, with some in sharp focus and others slightly blurred, suggesting movement. The overall mood is serene and expansive.

IN YOUR LIFE, **YOU HAVE SEEN MANY CONFLUENCES.**

You have seen meandering paths going up to greet the hills.

You have seen the sun diving into the horizon, changing the colour of the river.

You go back to that single place every time, where your different personas find respite, hand in hand.

Because you are not only YOU.
You have two personas inside you.

A **beautiful** one and a **thoughtful** one.

Who have grown up seeing many confluences, admiring them secretly.

THE LEGACY OF A GAME CHANGER

Disruption is in our DNA. The prospect of changing the game gets us going. Challenging the status quo, questioning the conventions, and always attempting something new. Today, this disruptive streak runs throughout the group thanks to our inceptor Mr. Vilaskumar Thanmal Palresha. VTP.

We broke through the monopoly cartels when we debuted as a cement dealership decades ago. We added new construction materials in our portfolio year after year. We didn't just have passion, but also, foresight. Making right decisions, seizing right opportunities, turning them into game-changers, we have emerged as one of the most formidable conglomerates in the real estate sector. We are proud to have cultivated a legacy that stands unrivalled since our inception in 1985.

VTP, the man and the group, are relentless in the pursuit to be the best at whatever goal we choose. Our cement and core construction materials business, VTP Materials, is the No.1 dealership in Maharashtra and amongst the top 5 across the country. Our infra development company, Viraj Projects, is one of the India's top names for construction contracting and

government infra projects. VTP Realty, our real estate development company, is currently developing over 1.50 crore square feet. It has been ranked No.1 in Pune, in sales revenue, for 4 years in a row.

What started as a spark in a young entrepreneur's heart in Pune way back in the 80's, is today a very strong foundation of a group, that is at the forefront of the city's real estate development. We are very proud to have contributed to redefining Pune's skyline. We have set the cornerstone, quite literally, of most of the iconic structures of the city, in the last 37 years. We have contributed to the transformation of every pin code of Pune, as an end-to-end real estate group.

Never to rest on past laurels, we are most passionate about setting new benchmarks in every sector we work in. Not just to be the best, but also, be the innovators and the turnaround specialists. We carry on the legacy that is VTP.

A WORLD OF THOUGHTFULNESS

Fondly referred to as the "turnaround specialist" of Pune, VTP Realty is changing the way real estate industry operates. Years of sweat and goodwill has helped VTP Realty emerge as the leading real estate brand of the silicon valley of Maharashtra. VTP Realty has turned large stuck projects into success stories. The case in point being Township Codename Pegasus and Township Codename Blue Waters in East and West Pune.

We also benefit from the 37-years legacy of our group in the construction industry. We source 70 % of our construction materials from our group companies through backward integration, enabling us to deliver better quality homes in a shorter time span.

VTP Materials, a leading cement supplier in West India holds No. 1 position in Pune and No. 2 in Maharashtra.

Viraj Projects, also under the flagship of VTP Group is one of renowned infrastructure development and construction contracting companies and boasts of almost every national developer as their customer. We have successfully established our leadership in every industry we operate in.
