

Indore Galore A City Spearheading Consistent Growth

The commercial capital of Central India, Indore is expanding in all directions, including both the traditional agro industries and modern corporate. Being the only city with IIT and IIM, Indore has emerged as the best educational centre in the state. IT Corporate giants like as TCS and Infosys have already invested in the Super Corridor area. The Pithampur Industrial Growth Centre, situated just 22 kilometers away from Indore, is the commercial hub of Madhya Pradesh that is heading the industrial revolution in the state. With excellent medical and hospitality units available, it is at the epitome of becoming a cosmopolitan city of the country.

Sow intelligent investments today. Reap attractive rewards tomorrow.

Indore is evolving as the choicest investing destination being an IT Hub, Medical Hub, Logistic Hub, Education Hub, SEZ and much **more**.

Array of varied sized plots fuse natural grandeur and global amenities, emanating a sense of **completeness**.

Sakar Corridor An Iconic Project

For those with the penchant for the finest things, Sakar Corridor opens doors of unparalleled opportunities. Array of varied sized plots fuse natural grandeur and global amenities, exuding a sense of completeness. And to top it all, exclusive amenities including club house, swimming pool, modern gymnasium, temple, fountains, play areas, well-manicured lawns and meditation centre take luxurious living to a whole new level. Clearly, investing in Sakar Corridor has more than its share of privileges.

The real estate trends of the city ensure one thing - an investor will have to invest smart and earn himself a generous buck. Spread over 33 lakh square feet of land and packed with luxurious conveniences, Sakar Corridor is strategically located at eight minutes from the city and nestled in front of the ever-blossoming Medical Hub - all ticks that guarantee your money will not only be safely parked but also multiply while you sit back.

Seize the opportunity, for life is too precious to waste waiting.
