

About Hill Spring

About Hill Spring

Hill Spring is a premium home project conceived to offer meticulously planned and laid out apartments to get the maximum out of its naturally lush green and hilly surroundings. Every apartment will offer a breathtaking view of either the picturesque Yeour Hills or the graceful Ulhas River.

Hill Spring is coming up at the heart of the most happening hub in Thane city, viz., Ghodbunder road. The project offers the best locational advantage as it is well connected to Thane railway station at the central end and Borivili railway station at the western end of the maximum city of Mumbai.

The complex shall house spacious 1bhk, 2bhk, 2.5bhk, & 3bhk apartments. It will also offer a club house with a well equipped gym, badminton court, game zone, a health spa with jacuzzi, steam & massage room and a multi-purpose hall to hold meetings and family functions. The complex will also offer two well appointed guest rooms for the convenience of its members.
